The Big Knockover:

The Big Knockover Dashiell Hammett, 1989-07-17 Short thick bodied mulishly stubborn and indifferent to physical pain Dashiell Hammett's Continental Op was the prototype for generations of tough guy detectives He is also the hero of most of the nine stories in this volume The Op's one enthusiasm is doing his job and in *The Big Knockover* the jobs entail taking on a gang of modern day freebooters a vice ridden hell's acre in the Arizona desert and the bank job to end all bank jobs along with such assorted grifters as Babe McCloor Bluepoint Vance Alphabet Shorty McCoy and the Dis and Dat Kid **The Big Knockover** Dashiell Hammett, 1962 *The Big Knockover and Other Stories* Dashiell Hammett, 1969 Dashiell Hammett first wrote about the Continental Op the short fat balding detective with no home and no personal existence apart from his work more than 80 years ago In doing so he created one of the most enduring icons of modern times the private eye the isolated hero in a treacherous and brutal world *The Big Knockover* Dashiell Hammett, 2004 **The Big Knockover** Dashiell Hammett, 1966 [The Big Knockover](#) Dashiell Hammett, 1966 Short fictional works by the modern American writer explore the world of crime and violence mysterious women and hard hitting private detectives *The Big Knockover (1966 Random House edition)*. Dashiell Hammett, 1966 *Blood Money* Dashiell Hammett, 2013-09-24 This collection features two of Dashiell Hammett's best known short stories *The Big Knockover* and *106 000 Blood Money* together as they were meant to be read In these connected stories the Continental Op faces down an unprecedented influx of criminals into his native San Francisco as the horde plans to collect a big payday by robbing two banks simultaneously and then must hunt down the mastermind responsible for this elaborate crime spree *The Big Knockover* witnesses the return of Dashiell Hammett's hard boiled detective character known only as The Continental Op One of the earliest characters in the world of detective fiction The Op paved the way for similar private eyes like Hammett's own Sam Spade and Raymond Chandler's Philip Marlowe The Op however had a personality all his own uncompassionate gruff and stocky and was never the prototypical heroic protagonist He was however the perfect fit for the genre in the early days of the hardboiled detective genre HarperCollins brings great works of literature to life in digital format upholding the highest standards in ebook production and celebrating reading in all its forms Look for more titles in the HarperCollins short stories collection to build your digital library [The Big Knockover \(1989 Vintage Books edition\)](#). Dashiell Hammett, 1989 [The Dain Curse, The Glass Key, and Selected Stories](#) Dashiell Hammett, 2007-09-04 One of the most popular American writers of the twentieth century Dashiell Hammett gave us crime fiction stripped down to its most subtle and searing essentials and at the same time elevated to literature The diamond sharp prose and artfully manipulated intrigue for which he is known are on full display in the four classic short stories and two riveting novels published here in one volume The Continental Op Hammett's anonymous antihero was the indelible prototype for generations of tough guy detectives Single minded emotionally detached and decidedly unglamorous he narrates the four linked stories collected here *The House in Turk Street* *The Girl with the Silver Eyes* *The Big Knockover*

and 106 000 Blood Money In THE DAIN CURSE the Continental Op takes on his most bizarre case that of a wealthy young woman who appears to be the victim of a deadly family curse And THE GLASS KEY Hammett s own favorite among his works features his most cynical and morally ambiguous hero Ned Beaumont caught in a hard boiled love triangle **Focus On: 100 Most Popular Former Roman Catholics** Wikipedia contributors, **Mistresses** Elizabeth Abbott,2011-09-01 A lively and nuanced look at gender roles as they have been revealed by the lives of concubines and mistresses over the centuries Kirkus She exists as both a fictional character and as a flesh and blood human being But who is she really Why do women become mistresses and what is it like to have a private life that is usually also a secret life Is a mistress merely a wife in waiting or is she the very definition of the emancipated independent female Elizabeth Abbott intelligently examines the motives and morals of some of history s most infamous and fascinating women from antiquity to today Drawing intimate portraits of those who have by chance coercion or choice assumed this complex role *Mistresses* offers a rich blend of personal biography and cultural insight Ms Abbott is delightfully indiscreet with an eye for a good story and a colloquial style She has done the ladies a service by bringing them out of the shadows **The Economist Short Story Index** ,1969

Economic Investigations in Twentieth-Century Detective Fiction Yan Zi-Ling,2016-03-09 In his study of Golden Age and hard boiled detective fiction from 1890 to 1950 Yan Zi Ling argues that these two subgenres can be distinguished not only by theme and style but by the way they structure knowledge value and productive labour Using the detective as a reference point and enactor of socially based interests Yan shows that Golden Age texts are distinguished by their conservatism and not only by their conservatism with the detectives actions serving to stabilize institutions with specific ideological aims In contrast the criminal investigations of the hard boiled detective who is poorly aligned with institutions and strong interest groups reveal the fragility of the status quo in the face of escalating cycles of violence Key to Yan s discussion are theories of exchange value and the gift the latter of which he suggests is more akin to detective work than is wage labour Analyzing texts by a wide range of authors that includes Arthur Conan Doyle Agatha Christie Dashiell Hammett Raymond Chandler Dorothy Sayers Raoul Whitfield George Harmon Coxe and Mickey Spillane Yan demonstrates that the detective s truth generating function most often characterized as a process of discovery rather than creation is in fact crucial to the institutional and class based interests that he or she serves *Critical Perspectives on the Western* Lee Broughton,2016-09-19 For decades the Western film has been considered a dying breed of cinema yet filmmakers from Quentin Tarantino to Ethan and Joel Coen find new ways to reinvigorate the genre As Westerns continue to be produced for contemporary audiences scholars have taken a renewed interest in the relevance of this enduring genre In *Critical Perspectives on the Western* From A Fistful of Dollars to Django Unchained Lee Broughton has compiled a wide ranging collection of essays that look at various forms of the genre on both the large and small screen Contributors to this volume consider themes and subgenres celebrities and authors recent idiosyncratic engagements with the genre and the

international Western These essays also explore issues of race and gender in the various films discussed as well as within the film genre as a whole Among the films and television programs discussed in this volume are The Assassination of Jesse James by the Coward Robert Ford Django Kill Justified Meek s Cutoff Tears of the Black Tiger Appaloosa The Frozen Limits and Red Harvest Featuring a diverse selection of chapters that represent current thinking on the Western Critical Perspectives on the Western will appeal to fans of the genre film students and scholars alike *The Armchair Detective*, 1995 **The Detective Short Story** E. H. Mundell (Jr.), George Jay Rausch, 1974 **A Dashiell Hammett Companion** Robert L. Gale, 2000-02-28 Dashiell Hammett s writing career began with the publication of The Parthian Shot a tiny short story in The Smart Set in 1922 and virtually ended when he published 3 outstanding stories in Collier s in 1934 During this period he published 60 short stories 5 novels including The Maltese Falcon and The Thin Man a few minor poems some nonfictional prose and a series of astute book reviews Though he lived until 1961 he wrote little after 1934 and suffered from alcoholism tuberculosis and other illnesses His influence on other writers however and on movies and television has survived to this day This reference work is a comprehensive guide to Hammett s life and works The volume begins with a chronology that highlights the major events in Hammett s life The bulk of the book comprises alphabetically arranged entries for Hammett s works characters family members and acquaintances Some of the entries cite sources of additional information and the volume concludes with a brief bibliography While the reference is first and foremost a guide to Hammett it is also a helpful aid to the study of the development of the American hard boiled detective novel **Lafcadio's Adventures** André Gide, 1925 When Lafcadio Wluiki a street smart nineteen year old in 1890s Paris learns that he s heir to an ailing French nobleman s fortune he s seized by wanderlust Traveling through Rome in expensive new clothes he becomes entangled in a Church extortion scandal involving an imprisoned Pope a skittish purveyor of graveyard statuary an atheist turned believer on the edge of insolvency and all manner of wastrels swindlers aristocrats adventurers and pickpockets **Commonweal**, 1966
