The Bird And I:

The Bird Book Patsy Levang,2010-10-18 There was only the bird book to tell her story She left it as unfinished as her life seemed to be The question of who she was led me to begin searching for the answers Years ago I should have started searching while she was still alive however I did not really know about her until it was too late I refused to have her life and legacy forgotten and yet I was so slow in acting I suppose there are those who would say that I should not invade the territory of one who is already gone However it has always been in me to find out the answers and so for that reason Alma s story must be told She left her story in phrases she composed She left her story in the pieces of artwork she created She left her story in the memories of those who knew her [The Birds and Seasons of New England](#) Wilson Flagg,2025-08-29 Reprint of the original first published in 1875 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage

The Bird Found the Body Bailey Booth,2023-09-07 Starting over in paradise can be murder When my fianc leaves me high and dry I jump at the chance to relocate to the tropical island of Half Moon Cross I haven t talked to my Aunt Astrid in years and I ve never run a bird themed pirate tour company but my cockatiel Chicken and I are desperate for a fresh start We re ready for sun surf and parrots What we get is murder I might be in paradise but I didn t leave my problems in Boston My Aunt is a virtual stranger and I m scared she regrets giving me Parrots of The Caribbean Her scarlet macaw Ruby star of her tours refuses to go out with me But I didn t run escape rooms for years without learning how to solve a problem I put Chicken in a pint sized pirate costume and we re off Our first voyage is almost smooth sailing then my hawk eyed cockatiel alerts us to a dead body on the beach The victim is an ex employee and my aunt s been framed If Astrid takes the blame it will mean the end of Parrots of the Caribbean and the bird sanctuary that

she cares for And since the police aren't looking beyond her it's up to me to find the real killer Good thing I have some unexpected help from my new coworker and fast friend Meg She introduces me to Carlos the handsome ex detective who now makes the best fruity drinks on the island We have too many suspects and not enough time But when Chicken finds a key piece of evidence my cockatiel might just crack the case Feathers will fly and justice will be served in this tropical cozy caper
