

The Bismarck

Robert D. Ballard

The Bismarck:

The Bismarck Myth Robert Gerwarth, 2005-07-14 Few statesmen in history have inspired the imagination of generations of Germans more than the founder of the Kaiserreich Otto von Bismarck The archetype of charismatic leadership the Iron Chancellor maintained his pre eminent position in the pantheon of Germany s political iconography for much of the twentieth century Based on a large selection of primary sources this book provides an insightful analysis of the Bismarck myth s profound impact on Germany s political culture In particular it investigates the ways in which that myth was used to undermine parliamentary democracy in Germany after the Great War paving the way for its replacement by authoritarian rule under an allegedly Bismarckian charismatic leader Adolf Hitler As one of the most powerful weapons of nationalist agitation against the Weimar Republic the Bismarck myth was never contested The nationalists ideologically charged interpretation of Bismarck as the father of the German nation state and model for future political decision making clashed with rivalling and thoroughly critical democratic and communist perceptions of the Iron Chancellor The quarrel over Bismarck s legacy demonstrates how the clash of ideologies particularly between 1918 and 1933 resulted in a highly political fight for the correct and universal interpretation of the German past Essential reading for anyone interested in modern German history this book sheds new light on the Weimar Republic s struggle for survival and the reasons for its failure

The Bismarck 1941 Angus Konstam, 2011-03-22 The breakout of the German battleship Bismarck into the North Atlantic in May 1941 was one of the most dramatic naval episodes of World War II 1939-1945 It took place at a time when the resources of the Royal Navy were stretched thinly and the British Home Fleet were hard pressed to counter this powerful German warship which was vaunted as the most powerful battleship in the world For nine days she became the most sought after vessel afloat as the Home Fleet and Force H based in Gibraltar combed the seas in search of her After days of fruitless searching the lone German warship was spotted by a reconnaissance aircraft some 300 miles to the south west of Ireland Admiral Tovey who commanded the Home Fleet from his flagship HMS Rodney ordered his warships to intercept her and a great naval race began with the Bismarck speeding towards the safety of the French ports and the British doing their utmost to stop her Despite overwhelming odds with most Home Fleet craft too far away to intercept the German ship s flight to France the Royal Navy ultimately managed to locate damage and ultimately sink the great German battleship In this new addition to Osprey s Campaign series author Angus Konstam sheds new light on this race to the finish detailing the original plans the British efforts to locate and damage the Bismarck the Bismarck s extensive armor systems and her ultimate defeat in a highly illustrated format

[The Second World War](#) Bradley Lightbody, 2004 An accessible history of the Second World War in its global context for A level students

Hunt the Bismarck Angus Konstam, 2019-09-19 Hunt the Bismarck tells the story of Operation Rheinbung the Atlantic sortie of Nazi Germany s largest battleship Bismarck in May 1941 and her subsequent pursuit by the Royal Navy Bismarck entered naval service in the summer of 1940 She was well armed with eight

15in guns as well as a powerful array of lighter weapons while her armoured protection earned her the reputation of being unsinkable This claim was put to the test in May 1941 when she sortied into the Atlantic and fought the legendary battle of the Denmark Strait destroying HMS Hood the pride of the Royal Navy Bismarck was now loose in the North Atlantic However damage sustained in the battle limited her ability to roam at will and the Royal Navy deployed the Home Fleet to avenge the sinking of the Hood The stage was set for the greatest chase story in the history of naval warfare Drawing on a wealth of first hand accounts and intertwining extensive research into a fast paced narrative this is the most readable and accurate account of Bismarck s epic pursuit ever produced *Sink the Bismarck* Tom McGowen,1999-01-01 Describes the actions of the German battleship Bismarck during World War II and the operations of the British navy to destroy this ship

[The Battleship Bismarck](#) Bukard Baron von Mullenheim-Rechberg,2003-10-15 The Bismarck is probably the most famous warship of WWII The German battleship 45 000 tons was completed in early 1941 and went on to sink the Mighty Hood pride of the Royal Navy during one of the most sensational naval encounters ever After a dramatic chase around the North Atlantic involving many units of the Royal Navy Bismarck was finally dispatched with gunfire and torpedoes on 27 May less than five months after she was completed Her wreck still lies where she sank 4800m down and 960km off the west coast of France The Battleship Bismarck is the finest documentation of this famous ship ever published What makes this and all Anatomy of the Ship volumes unique is a complete set of superbly executed line drawings both the conventional type of plan as well as explanatory views with fully descriptive keys These are supported by technical details photos and a record of the ship s service history Complete with color references on the book cover as well as large scale plans on the interior flaps

Exploring the Bismarck Robert D. Ballard,1991-01-01 Recreates the sea battle that sank the German battleship Bismarck in World War II and recounts how the shipwreck was discovered in 1989 [The Academy](#) ,1898 *The Discovery of the Bismarck* Robert D. Ballard,1992-10-01 **Battleships of the Bismarck Class** Gerhard Koop,Klaus-Peter Schmolke,2014-02-10 The warships of the World War II era German Navy are among the most popular subject in naval history with an almost uncountable number of books devoted to them However for a concise but authoritative summary of the design history and careers of the major surface ships it is difficult to beat a series of six volumes written by Gerhard Koop and illustrated by Klaus Peter Schmolke Each contains an account of the development of a particular class a detailed description of the ships with full technical details and an outline of their service heavily illustrated with plans battle maps and a substantial collection of photographs These have been out of print for ten years or more and are now much sought after by enthusiasts and collectors so this new modestly priced reprint of the series will be widely welcomed The first volume appropriately is devoted to the Kriesmarine s largest and most powerful units the battleships Bismarck and Tirpitz whose careers stand in stark contrast to each other one with a glorious but short life while the other was to spend a hunted existence in Norwegian fjords all the time posing a threat to Allied sea communications while attacked by everything from

midget submarines to heavy bombers **The Loss of the Bismarck** Brian Betham Schofield,1972 The chase and ultimate destruction of the German Battleship Bismarck in May 1941 is one of the epic stories of the naval side of World War II It is told here in detail for the first time in English full use having been made of the information now available from both British and German sources Dust jacket *The North Dakota Agricultural Highway* ,1928 *Prince Bismarck: From Waterloo to Versailles* Charles Lowe,1887 **The Bulletin of the Hill Museum; a Magazine of Lepidopterology ...** Hill Museum, Wormley, Surrey,1929 **The Discovery of the Bismarck** Robert D. Ballard,Rick Archbold,1990 *The Eclectic Magazine of Foreign Literature, Science, and Art* ,1904 [The Encyclopedia of Best Films](#) Jay Robert Nash,2019-10-23 This all inclusive A Z encyclopedia by one of the world s foremost experts on cinema provides comprehensive annotations of the best films produced from 1914 on The work offers more than 5 000 three to five star entries three stars good four stars excellent five stars masterpiece and yes author Jay Robert Nash has viewed every single one of them as well as many more that did not make the cut In addition to a precis each film s entry also includes a listing of the cast as well as the key principles involved in production from the director to the hair stylist Especially unique to this book is a rating system that helps parents determine whether or not a film is appropriate for their children Unlike the industry rating system which can be influenced by studio lobbying Nash objectively evaluates each film and confers upon it one of four recommendations for viewing recommended acceptable cautionary and unacceptable Backmatter includes a list of top films by genre i e animated drama sports mystery adventure etc as well as an annotated name index listing all persons mentioned along with their dates of birth and death Rounding out this essential volume for the film buff are over 500 still photos from the author s private collection **The Destruction of the Bismarck** David Bercuson,Holger H. Herwig,2001-10-29 Reconstructs the final days of the Bismarck the flagship of the German navy which was tracked and destroyed by a British armada in a dramatic turning point in World War II **MacArthur's Airman** Thomas E. Griffith,1998 Thomas Griffith offers a critical assessment of George C Kenney s numerous contributions to MacArthur s war efforts He depicts Kenney as a staunch proponent of airpower s ability to shape the outcome of military engagement and a commander who shared MacArthur s strategic vision **North Dakota Historical Quarterly** ,1927
