Subcommittee on Fisheries, Wildlife, and Oceans,1996 **It's My Birthday Too** Sylvia Mallonee,2015-07-22 For a number of years I had a feeling of pervasive sadness in the month of December that I could not explain especially around Christmastime Our birthday Anna Christines and mine is December 12 just twelve days before Christmas I do not know how old I was when I learned I had a twin sister The only thing I remember being told is You had a twin sister and she died End of story She was never talked about and never even given a name For a period of time she did not seem real to me so I gave her the name of Anna Christine In my heart I wanted to make that connection and tell our story That desire persisted and out of that desire the book I longed to write is becoming a reality Its My Birthday Too is a story about the journey of twin souls During a memorable walk in December 2004 I connected to Anna Christine and the bond that only twins have has become stronger every day I know now that my twin has been with me always She always has been and she always will be So I invite you to join us on our journey It is a story of a forever kind of love Sabina the Blue Butterfly Speedy Publishing,2014-08-19
