## **The Bogles Daughter:**

Ascanius: Or the Young Adventurer, Etc. (The Bogle O'the Brae. A ... Story. By James Hogg.-The Young Robber. By Washington Irving.), 1876     *The Bogle's Daughter* Joan K. Wallis, 2004-05-31 A broken promise a sudden death and a family mystery lead to Katie McCraedy being raised by her father Danny McCraedy and her great aunt Connie Ridge She is determined to be independent but an irrational desire leads to an unfortunate relationship with Big John Mitchell that compromises both her happiness and her independence She struggles through the following years learning the antique trade and restoring old furniture finding work in a bring and buy store when her own small business fails Meanwhile she strives to end her infatuation with John and seeks to renew old friendships A legacy from Aunt Connie encourages her to cut her losses and make a fresh start traveling out west and then settling down in an old family property in Nova Scotia But life still has one more surprise in store for Kate McCraedy     **The Bogle Effect** Eric Balchunas, 2022-04-26 The index fund wouldn't be Jack without Jack It was just one innovation fueled by The Vanguard Group founder Jack Bogle's radical idea in 1975 to make investors the actual owners of his new fund company While the move was as much to save his job as it was to save investors the end result was powerful a fund company for the people and by the people Bogle began a 50 year process of lowering costs inch by inch which ultimately unleashed a populist revolt that has saved average investors trillions of dollars while reforming and right sizing much of the entire financial industry Today nearly every dollar invested in America goes to either Vanguard funds or Vanguard influenced funds But Bogle's impact and this great cost migration reaches well beyond index funds into many other areas such as active management ETFs the advisory world quantitative investing ESG behavioral finance and even trading platforms The Bogle Effect takes readers through each of these worlds to show how they and the investors they serve are being reshaped and reformed While hundreds of fund providers have copied the index fund that Vanguard made popular no one is yet to copy its mutual ownership structure Why This book explores that question as well as what made Bogle such an anomaly seemingly immune to the overwhelming magnet of ambition that dictates Wall Street made famous by movies like Wall Street The Big Short and The Wolf of Wall Street On the flip side Bogle wasn't perfect by any stretch he could be moralizing cantankerous and tended to make virtue out of necessity The Bogle Effect is animated by the author's hours of one on one exclusive interviews with Bogle in the years before he passed which reveal his philosophy vision intellect and humor Dozens of additional interviews with people who worked with him lived with him were influenced by him and disagreed with him round out a portrait of this revolutionary figure You will never look at the financial industry or your portfolio the same way again     The High Road to China Kate Teltscher, 2013-07-11 \_\_\_\_\_ Splendid and fascinating Teltscher has made remarkable use of her source material aided by the constantly perceptive and witty tone of Bogle's own writings Patrick French Sunday Times It is hard to imagine this fascinating story being told with greater sensitivity or skill Sunday Telegraph Teltscher is a remarkable new historian wholly original William Dalrymple Thrilling and

fascinating Letters journals and documents are woven into the flowing narrative which is wonderfully vivid and evocative

Jenny Uglow \_\_\_\_\_ An unlikely meeting between a young Scotsman and the Panchen Lama gives birth to a remarkable friendship In 1774 British traders longed to open relations with China so they sent a young Scotsman George Bogle as an envoy to Tibet Bogle became smitten by what he saw there and struck up a remarkable friendship with the Panchen Lama This gripping book tells the story of their two extraordinary journeys across some of the harshest and highest terrain in the world Bogle s mission and the Panchen Lama s state visit to China on which British hopes were hung Piecing together extracts from Bogle s private papers Tibetan biographies of the Panchen Lama the account of a wandering Hindu monk and the writings of the Emperor himself Kate Teltscher deftly reconstructs the momentous meeting of these very different worlds *The National Cyclopaedia of American Biography* ,1930 *The National Cyclopædia of American Biography* ,1921 **Tales of Britain** Jem Roberts,2019-01-17 77 timeless tales from up and down the length of Great Britain Wales Scotland Kernow England and the Isles have been retold for the 21st century by curious storyteller Brother Bernard with a tourist guide to the real location of each folktale included This road atlas of myth and mischief allows us to visit famed heroes King Arthur Merlin Robin Hood Lady Godiva Macbeth Dick Whittington and Jack but also those who should be more celebrated like Molly Whuppie Bran the Blessed Bladud Taliesin and Tom Thumb Since Britain became an island eight millennia ago generations of immigrants have made their home here in Albion creating their own stories which have become part of the richly stocked treasury of British folklore Some are strange some are sad some are exciting some are scary many are silly and at least two are totally daft Brother Bernard retells these restored tales with devotion to the ancient legends but with a fresh eye and added anarchic vim to be enjoyed anew **History of Daviess and Gentry Counties, Missouri** ,1922 *The Weekly Reporter* ,1868 History and Genealogies of the Families of Miller, Woods, Harris, Wallace, Maupin, Oldham, Kavanaugh, and Brown (illustrated) William Harris Miller,1906 Robert Miller was probably born in Ireland in the early 1700 s and immigrated to Virginia In about 1731 he married Ann Lynn They probably settled in Goochland Orange or Albemarle County where they reared their family He died after 1750 Descendants and relatives lived in Massachusetts Kentucky Indiana North Carolina Virginia Montana Oregon Arkansas Tennessee Texas and elsewhere *A History of the House of Hamilton* George Hamilton,1933 **The Revised Reports** Frederick Pollock,Robert Campbell,Oliver Augustus Saunders,Arthur Beresford Cane,Edward Potton,Joseph Gerald Pease,William Bowstead,1895 **The Revised Reports** ,1895 **James and Horace Smith ...** Arthur Henry Beavan,1899 Bulletin Detroit Society for Genealogical Research,1953 Who's who in New York City and State Lewis Randolph Hamersly,John W.
