The Borrible Trilogy

Michael De Larrabeiti, 2014-01-16 A smalll group of feral street wise Peter Pan type beings set out on three very different but related missions across the darker side of London They are missions combining excitement violence low cunning betrayal loyalty greed generosity cowardice and insane bravery This is an epic fantasy adventure that is both thought provoking and thrilling until the very last second set against the backdrop of an all too familiar yet weirdly different urban landscape For the first time Michael de Larrabeiti s much loved classic novels *The Borribles* *The Borribles Go for Broke* and *Across the Dark Metropolis* are brought together in one book

Fairy Tales and the Art of Subversion Jack Zipes, 2007-05-07 The fairy tale may be one of the most important cultural and social influences on children s lives But until *Fairy Tales and the Art of Subversion* little attention had been paid to the ways in which the writers and collectors of tales used traditional forms and genres in order to shape children s lives their behavior values and relationship to society As Jack Zipes convincingly shows fairy tales have always been a powerful discourse capable of being

used to shape or destabilize attitudes and behavior within culture For this new edition the author has revised the work throughout and added a new introduction bringing this classic title up to date **Ernst Bloch** Jack Zipes,2019-08-03 This book provides a comprehensive introduction to and overview of the life and philosophy of Ernst Bloch Bloch has had a strange fate in the English speaking world He wrote his famous three volume opus *The Principle of Hope* while living in exile in the United States from 1938 to 1940 It was first published however in East Germany in the 1950s after he had returned to Europe and became a professor of philosophy at the University of Leipzig Gradually his other numerous works became better known and widespread in Europe and scholars in the US and UK started to take note of his works Yet he has still remained a somewhat neglected figure in the humanities While this book does not set out to entirely rectify this neglect it does offer readers an introduction to Bloch s works and the opportunity to understand more about the importance of utopian thought Through an exploration of some of Bloch s more controversial communist leanings and relationship to the Soviet Union a study of Bloch s utopian quest and even a comparison with J R R Tolkien this comprehensive study demonstrates just how interesting a figure Ernst Bloch really was and how his philosophy of hope has laid the basis for secular humanism

Borribles Go for Broke Borribles Go for Broke Michael De Larrabeiti,1981-01-01 Back in print for the first time in years the second book in the classic Borribles trilogy continues the saga of young runaways who apart from their pointed ears look just like ordinary children *A Short History of Fantasy* Farah Mendlesohn,Edward James,2009 A history of the fantasy form this work traces the genre from the earliest years with *The Epic of Gilgamesh* and *The Odyssey* through to the origins of modern fantasy in the 20th century with such acclaimed writers as Terry Pratchett and J K Rowling An exploration of the great variety of fiction published under the heading fantasy this engaging study seeks to explain its continuing and ever growing popularity Science Fiction and Fantasy Literature, 1975-1991 R. notion of childhood as a distinct part of life emerged a distinct body of literature emerged as well designed both to entertain and edify this new class of readers But for much of its history books written for children were not seen as worthy of scholarly attention Recently this has changed with everyone from literary critics to psychologists to anthropologists to historians studying this incredibly rich outpouring The Oxford Encyclopedia of Children s Literature is the first multi volume set to document and interpret the books read by children in the English speaking world It includes brief biographies of every major author and illustrator and features essays on all genres of children s literature individual works and prominent trends and themes as well as general essays on the traditions of children s literature in many country in the world A future Oxford Digital Reference Shelf title For more information visit <http://www.oxfordonline.digitalreference> [The School Librarian](#) School Library Association,1984 **Children's Literature** Francelia Butler,1978 **Castledown** Joyce Ballou Gregorian,J B Gregorian,1983-05 **The Senior High School Paperback Collection** John Thomas Gillespie,1986 Provides an annotated list of more than four thousand paperbacks including fiction poetry and books on religion art crafts sports science music history and education *Mythprint* ,1982 [English in Australia](#) ,1983
