The Case of the Phantom Friend Angela Elwell Hunt,1991-05-01 **Case of the Phantom Friend** Angela Elwell Hunt,2000-06-01 NULL **The Case of the Phantom Friend** Angela Elwell Hunt,2005-08-28 Concerned when their elderly friend Mrs Greaves is threatened Nicki and four other girls work to solve the mystery before she loses everything she loves

Trials of Reason David Wolfsdorf,2008-01-22 Scholarship on Plato s dialogues persistently divides its focus between the dramatic or literary and the philosophical or argumentative dimensions of the texts But this hermeneutic division of labor is naive for Plato s arguments are embedded in dramatic dialogues and developed through complex largely informal exchanges between literary characters Consequently it is questionable how readers can even attribute arguments and theses to the author himself The answer to this question lies in transcending the scholarly divide and integrating the literary and philosophical dimensions of the texts This is the task of Trials of Reason The study focuses on a set of fourteen so called early dialogues beginning with a methodological framework that explains how to integrate the argumentation and the drama in these texts Unlike most canonical philosophical works the early dialogues do not merely express the results of the practice of philosophy Rather they dramatize philosophy as a kind of motivation the desire for knowledge of goodness They dramatize philosophy as a discursive practice motivated by this desire and ideally governed by reason And they dramatize the trials to which desire and reason are subject that is the difficulties of realizing philosophy as a form of motivation a practice and an epistemic achievement In short Trials of Reason argues that Plato s early dialogues are as much works of meta philosophy as philosophy itself

The Case of the Counterfeit Cash Angela Elwell Hunt,2005-08-28 Nicki is plunged into another mystery when she accidentally takes the wrong suitcase from the airport and finds it filled with bundles of hundred dollar bills

The Politics of Friendship Jacques Derrida,2020-10-13 The most influential of contemporary philosophers Jacques Derrida explores the idea of friendship and its political consequences past and future through writings by Aristotle Nietzsche Cicero and more Until relatively recently Jacques Derrida was seen by many as nothing more than the high priest of Deconstruction by turns stimulating and fascinating yet always somewhat disengaged from the central political questions of our time Or so it seemed Derrida s political turn marked especially by the appearance of Specters of Marx has surprised some and delighted others In *The Politics of Friendship* Derrida renews and enriches this orientation through an examination of the political history of the idea of friendship pursued down the ages Derrida s thoughts are haunted throughout the book by the strange and provocative address attributed to Aristotle my friends there is no friend and its inversions by later philosophers such as Montaigne Kant Nietzsche Schmitt and Blanchot The exploration allows Derrida to recall and restage the ways in which all the oppositional couples of Western philosophy and political thought friendship and enmity private and public life have become madly and dangerously unstable At the same time he dissects genealogy itself the familiar and male centered notion of fraternity and the virile virtue whose authority has gone unquestioned in our culture of friendship and our

models of democracy The future of the political for Derrida becomes the future of friends the invention of a radically new friendship of a deeper and more inclusive democracy This remarkable book his most profoundly important for many years offers a challenging and inspiring vision of that future *The Phantom Friend* Margaret Sutton,2008-04-17 Judy wishes her FBI husband Peter Dobbs would complete his mysterious mission and join her in New York City She wants him to help her find her new friend Clarissa who might be in real danger **The Publishers' Trade List Annual** ,1992 **Howling to the Moonlight on a Hot Summer Night** Christopher McKittrick,2024-10-01 A comprehensive guide to the band with praise from Booklist saying Stray Cats fans and music lovers in general will appreciate this exhaustively researched document of the group s influential and lengthy career **Publishers Trade List Annual, 1992** ,1992 *Socrates on Friendship and Community* Mary P. Nichols,2009 In *Socrates on Friendship and Community* Mary P Nichols addresses Kierkegaard s and Nietzsche s criticism of Socrates and recovers the place of friendship and community in Socratic philosophizing This approach stands in contrast to the modern philosophical tradition in which Plato s Socrates has been viewed as an alienating influence on Western thought and life Nichols rich analysis of both dramatic details and philosophic themes in Plato s Symposium Phaedras and Lysis shows how love finds its fulfilment in the reciprocal relation of friends Nichols also shows how friends experience another as their own and themselves as belonging to another Their experience she argues both sheds light on the nature of philosophy and serves as a standard for a political life that does justice to human freedom and community California.
