Metaphor and the Portrayal of the Cause(s) of Sin and Evil in the Gospel of Matthew Judith V. Stack,2020-02-25
Metaphor and the Portrayal of the Cause s of Sin and Evil in the Gospel of Matthew traces the range and significance of metaphors used in Matthew for the origin and sin and evil and their congruence with key texts of the Second Temple milieu While traditional theology has often sought to pinpoint a single cause of sin and evil Matthew s use of a spectrum of metaphors undermines theologically reductionist approaches and opens up a rich range of ways for conceiving of and talking about the cause of sin and evil Ultimately the use of metaphor necessary to discussions of sin destabilizes foundationalist theologies of sin and any theology of sin must grapple with the inherently tensive nature of metaphorical language *The Basic Writings of Josiah Royce, Volume II* John J. McDermott,2018-09-18 Now back in print and in paperback these two classic volumes illustrate the scope and quality of Royce s thought providing the most comprehensive selection of his writings currently available They offer a detailed presentation of the viable relationship Royce forged between the local experience of community and the demands of a philosophical and scientific vision of the human situation The selections reprinted here are basic to any understanding of Royce s thought and its pressing relevance to contemporary cultural moral and religious issues
