Jesus the Christ James E. Talmage, 2014-12-01 The scope of the subject presented in this work is expressed on the title page It will be readily seen that the author has departed from the course usually followed by writers on the Life of Jesus Christ which course as a rule begins with the birth of Mary s Babe and ends with the ascension of the slain and risen Lord from Olivet The treatment embodied in these pages in addition to the narrative of the Lord s life in the flesh comprises the antemortal existence and activities of the world s Redeemer the revelations and personal manifestations of the glorified and exalted Son of God during the apostolic period of old and in modern times the assured nearness of the Lord s second advent and predicted events beyond all so far as the Holy Scriptures make plain

The Christ: His Miracles His Ministry His Mission Carroll Roberson, 2005-01-01 He was either loved or hated by those with whom He came into contact rarely did He leave anyone with a feeling of indifference toward Him The authorities of His day finally renounced Him as a fake but The Christ leaves no doubt that Jesus was indeed the Messiah the Lamb of God which taketh away the sin of the world The Christ has many wonderful features Organized chronologically by key events in the life of Christ Fulfillments of Old Testament prophecies are indicated Spiritual application of each event is shown Key words from the original languages are explained Includes complete Scripture references Includes CD of original songs about the Messiah and the Holy Land by Carroll Roberson Can be used as a reference book devotional Bible study or individual inspiration Author Carroll Roberson uses his vast knowledge of the Holy Land the Scriptures and the Hebrew language to teach about The Christ in the context of the political geographical and spiritual climate in which He lived

The Christ John Remsburg, 2017-10-13 The Christ is a myth The Holy Ghost Priestcraft overshadowed the harlot Superstition this Christ was born and the Joseph of humanity beguiled by the Gabriel of credulity was induced to support the family But the soldiers of Reason have crucified the illegitimate impostor he is dead and the ignorant disciples and hysterical women who still linger about the cross should take his body down and bury it We must get rid of that Christ we must get rid of that Christ So spake one of the wisest one of the most lovable of men Ralph Waldo Emerson If I had my way said Thomas Carlyle the world would hear a pretty stern command Exit Christ Since Emerson and Carlyle spoke a revolution has taken place in the thoughts of men The more enlightened of them are now rid of Christ From their minds he has made his exit To quote the words of Prof Goldwin Smith The mighty and supreme Jesus who was to transfigure all humanity by his divine wit and grace this Jesus has flown The supernatural Christ of the New Testament the god of orthodox Christianity is dead But priestcraft lives and conjures up the ghost of this dead god to frighten and enslave the masses of mankind The name of Christ has caused more persecutions wars and miseries than any other name has caused The darkest wrongs are still inspired by it The wails of anguish that went up from Kishenev Odessa and Bialystok still vibrate

in our ears This volume on The Christ was written by one who recognizes in the Jesus of Strauss and Renan a transitional step but not the ultimate step between orthodox Christianity and radical Freethought By the Christ is understood the Jesus of the New Testament The Jesus of the New Testament is the Christ of Christianity The Jesus of the New Testament is a supernatural being He is like the Christ a myth He is the Christ myth Originally the word Christ the Greek for the Jewish Messiah the anointed meant the office or title of a person while Jesus was the name of the person on whom his followers had bestowed this title Gradually the title took the place of the name so that Jesus Jesus Christ and Christ became interchangeable terms synonyms Such they are to the Christian world and such by the law of common usage they are to the secular world It may be conceded as possible and even probable that a religious enthusiast of Galilee named Jesus was the germ of this mythical Jesus Christ But this is an assumption rather than a demonstrated fact Certain it is this person if he existed was not a realization of the Perfect Man as his admirers claim There are passages in the Gospels which ascribe to him a lofty and noble character but these for the most part betray too well their Pagan origin The dedication of temples to him and the worship of him by those who deny his divinity is as irrational as it will prove ephemeral
