The Christian Hope:

Christian Hope John Angell James, 1859 **The Christian Hope** Brian Hebblethwaite, 1984 What does it mean to hope for heaven Brian Hebblethwaite traces the background to the Christian hope in the faith of Israel examines its primary basis in the acts of God in the story of Jesus Christ and follows the history of Christian attitudes to the future of humanity and of creation throughout the Christian centuries The Christian Hope tells the complex story of the different strands emphases and problems that have developed between biblical times and our own in the quest to understand the four last things death judgement heaven and hell Hebblethwaite concentrates our attention on the modern period since 1900 an era when modern Christian theology has witnessed a remarkable recovery of interest in hope and the future as dominant motifs in its reflections The discoveries of modern science have affected Christian hope and Christian understanding of creation and its ultimate destiny At different stages in the history of the church very different stresses have been laid on the present or on the future on hope for the individual or on hope for society on this worldly hope or on other worldly hope Through a study of the basis of Christian hope and of the history of its interpretation Hebblethwaite aims to present a balanced view of these different elements in the Christian tradition and a credible eschatology for today What is the Christian's Hope? , *A Heart for the Future* Robert Boak Slocum, 2018-02-20 Apart from impressive liturgical expressions every year in Advent and one stirring statement called The Christian Hope which concludes the Prayer Book Catechism the Episcopal Church is not known for its formation and application of eschatology the doctrine of last things A Heart for the Future Writings on the Christian Hope may change that The distinguished and diverse contributing authors including Robert M Cooper Robert D Hughes Harold T Lewis Fredrica Harris Thompsett Paul F M Zahl and Robert Boak Slocum who is also the general editor differ widely in method meaning and approach They are very much alike however in the rigor with which they profess their faith in the Christian future avoiding the simplistic eschatology that would cleave the Body of Christ in two by creating a false dichotomy between walking with God in this world and walking toward God in the next The choice Christians must make is not between the now and the external it is between being forward looking and being backward looking Unless we look with eagerness and longing toward the future we will stay stranded in the past To live the Christian life today we need A Heart for the Future The Christian Hope Morris Ashcraft, 1988-04-01 *A Sermon on the Foundation of Christian Hope; illustrated in the case of the conversion of the jailer at Philippi* CHRISTIAN HOPE., 1834 *The Christian's Hope* Thomas Dick, 18?? **The Christian Hope** Brian Hebblethwaite, 2010-09-02 Since The Christian Hope was first published in 1984 eschatology has remained a central concern of Christian Theology This updated edition allows a new readership to engage afresh with questions of eschatology in a twenty first century context Book Jacket **The Christian Hope** William Adams Brown, 1915 *The Hope of the Christian. A Sermon [on Ps. XXXIX., 8] ... on the Occasion of the Death of the Rev. T. B. H. Thompson* John Melland HALL, 1868 **Two Discourses on the Grounds of the Christian's Hope** Nathan Perkins, 1800

The Meaning of Christian Hope William Richard Snyder,1954 *The Hope of the Christian* Otto J. Hentz,1997
Christians declare their ultimate hope in two words eternal life What is eternal life How does hope in eternal life relate to the challenges we face Does hope for eternal life devalue our world or distract us from responsibility for the world we shape And why hope precisely What is hoping Why do we hope in God An intellectually honest Christian does not ponder these questions out of idle curiosity Without hope in eternal life our future is ultimately only death and death puts into question the meaning of life of whom we are now and what we are about in our history In giving an account of their hope Christians proclaim the Gospel anew and let their light shine for others The Christian Hope Robert Wilson Patterson,1858 **What Is the Christian's Hope?** W. J. Ouweneel,2003-07-01 While the hot topics of the day may be as changeable as the weather the eternal truths of God s Word are not Each generation needs to fully understand truths such as Election Eternal Life and the Eternal Sonship of Christ What is the Christian s Hope What is the truth Evolution or Creation These issues and the pitfalls along the way are clearly presented in this little series *The Foundation of Christian Hope. A Sermon, Preached at the Ordination of Rev. Tertius S. Clarke, Etc* Dorus CLARKE,1827 **The Meaning and Significance of Christian Hope** Harold Roy White,Atlantic School of Theology,1978 The Christian Hope in I Peter ,1953 **Some Reasons of Our Christian Hope** Edward Thomas Vaughan,1876 The Christian Hope William Adams Brown,2015-09-20 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant
