life The Christian Mind is an essential guide for anyone who wants to renew their mind and transform their life **The Christian Mind** Joel H. Nederhood,1989 **The Christian Mind of C. S. Lewis** Andrew J. Spencer,2019-12-05 C S Lewis embodied the Christian mind because he saw the world as a coherent unity His writing consistently pursued the good the true and the beautiful He used nonfiction to point out the reasonableness of Christianity and used his fiction to create compelling illustrations that make faith in Christ an obvious and attractive conclusion This book explores the Christian mind of C S Lewis across the spectrum of the genres he worked in With contributors from diverse disciplines and interests the volume illuminates the many facets of Lewis s work The Christian Mind of C S Lewis assists readers to read Lewis better and also to read other works better The overarching goal is just as Lewis would have desired to help people see Christ more clearly in the world and to be more like Christ *Developing a Christian Mind* Oliver R. Barclay,2006 Having a Christian mind is considered important in the New Testament Jesus himself told us to give attention to it But what exactly is a Christian mind and how does it work in practice What happens when we try to love God with all our mind as well as with all our heart and soul and strength Does it mean that we have to become intellectuals Certainly not It will have an intellectual aspect for intellectual people of course but in the New Testament it is something very practical and down to earth Because our minds are involved in the simplest decisions the challenge to develop a Christian mind is something we cannot escape being either obedient or disobedient in the matter Either we try to please God by loving him with all our mind or we avoid this responsibility hoping that somehow a mindless love is good enough Every Christian who has been spiritually renewed has a new mind Our task is to love God with all of it It is easy to be inconsistent and discover that we are being more controlled by a non Christian outlook than we realise often with tragic practical results The Christian who is willing to refuse bribes or shun immorality or speak the truth to his own loss or make professional sacrifices in order to help the poor or preach the gospel represents the victory of a Christian mind over our normal self seeking He has made up his mind to please God rather than himself The relativistic post modern mind is desperately in need of a reference point whilst denying the possibility of its existence *Developing a Christian Mind* provides that reference point [The Christian Mind, by Dom. Your Mind Matters John Stott, 2025-06-27 Knowledge is indispensable to Christian life and service writes John Stott If we do not use the mind which God has given us we condemn ourselves to spiritual superficiality While Christians have had a long heritage of rigorous scholarship and careful thinking some circles still view the intellect with suspicion or even as contradictory to Christian faith And many non Christians are quick to label Christians as anti intellectual and obscurantist But this need not be so In this classic introduction to Christian thinking John Stott makes a forceful appeal for Christian discipleship that engages the mind as well as the heart
