The Conquerors:

The Conquerors Allan W. Eckert, 1970 They had defeated the French and now the English possessed the vast North American Empire Soldiers traders settlers all began the trek across the wilderness to claim the land and its riches Against this relentless tide Indian warriors rose up in bitter fury exploded in the bloody battle for the conquest of the Northwest territory

The Conquerors André Malraux, 1992 *The Conquerors* describes the struggle between the Kuomintang and the Communists in the Cantonese revolution of the 1920s It is both an exciting war story and a gallery of intellectual portraits a ruthless Bolshevik revolutionary a disillusioned master of propaganda a powerful Chinese pacifist and a young anarchist Each of these conquerors will be crushed by the revolution they try to control In a new Foreword Herbert R Lottman discusses the political background of the book and the extent to which Malraux invented the history he wrote about *The Conquerors* is a valuable introduction to Malraux himself who would like his fictional counterpart become an amalgam of talents as novelist essayist Leftist and Gaullist Resistance hero and art critic He was among the most universal of French men of letters Choice The novel can be enjoyed as a remarkable work of modernism With images derived from the silent cinema and prose from the telegraph it moves at a tremendous pace Canton all comes to violent life seen as though from a speeding car Kirkus No other writer of the 20th century had the same capacity to translate his personal adventure into a meeting with history and a dialogue of civilization Carlos Fuentes New York Times Book Review

The Conquerors David McKee, 2004-11-01 The general of a large and mighty country invades and conquers each of its neighboring countries one by one Eventually all the countries in the world are conquered but one and that one is so small it doesn't not even have an army And so of course when the day comes that the general is unable to resist invading the small country the outcome is inevitable Or is it David McKee's profound story and delightful childlike pictures send a special message that is all the more effective for framing a quiet plea for peace

The Battle Of The Conquerors Dipo Toby Alakija, 2015-12-30 Wickedness takes over the land of Bondage from First Couple and subjects everybody into slavery without giving anybody the chance to be free Love brings The Redeemer

from Eternity and offers the slaves the chance to escape Wickedness soon declares war and engages everyone in the battle The Redeemer makes the redeemed people Conquerors by giving them the armour of war and Comforter but Wickedness cannot be undone He has several thousands of years of experience in the war So he is quick to recognize the weakness of the redeemed people who are ignorant of their strengths and advantages Although the Conquerors fight like immutable giants rescuing victims of war many people suffer heavy casualties Since King Wickedness knows that a redeemed person is strong enough to chase one thousand of his warriors at a time and two would put ten thousand into flight he enlists as one of his warriors the people s deadliest enemy called Disunity Wickedness is able to strike the people by making them to fight with one another turning what is supposed to be their best moments in the battle into tales of woes
