The House of the Cylinder Jars Patricia L. Crown, 2020-10-15 *The House of the Cylinder Jars* details the archaeological excavations led by Patricia L. Crown at Pueblo Bonito's famed Room 28 in Chaco Canyon in 2013. Originally excavated in 1896 by the Hyde Exploring Expedition, Room 28 gained notoriety for its incredible assemblage of 174 whole ceramic vessels. Crown and her team reopened Room 28 after she and Jeffrey Hurst discovered residues of chocolate in cylinder jar fragments from Pueblo Bonito in 2009. Their research revealed the first evidence of chocolate north of the US-Mexico border and possibly linked Chacoan rituals surrounding cacao use to Mesoamerica. *The House of the Cylinder Jars* documents the re-excavation of Room 28 and places it within the context of other rooms at Pueblo Bonito and describes the ritual termination by fire of the materials stored in the room. The contributors also offer a modern interpretation of the construction and depositional histories of surrounding spaces at Pueblo Bonito in Chaco Canyon. [Rituals of the Past](#) Silvana Rosenfeld, Stefanie Bautista, 2017-03-15 *Rituals of the Past* explores the various approaches archaeologists use to identify ritual in the material record and discusses the influence ritual had on the formation, reproduction, and transformation of community life in past Andean societies. A diverse group of established and rising scholars from across the globe investigates how ritual influenced, permeated, and altered political authority, economic production, shamanic practice, landscape cognition, and religion in the Andes over a period of three thousand years. Contributors deal with theoretical and methodological concerns including non-human and human agency, the development and maintenance of political and religious authority, ideology, cosmologies, and social memory and relationships with ritual action. The authors use a diverse array of archaeological, ethnographic, and linguistic data and historical documents to demonstrate the role ritual played in prehispanic, colonial, and post-colonial Andean societies throughout the regions of Peru, Chile, Bolivia, and Argentina. By providing a diachronic and widely regional perspective, *Rituals of the Past* shows how ritual is vital to understanding many aspects of the formation, reproduction, and change of past lifeways in Andean societies.
