The Strong and the Weak Paul Tournier,2013-01-07 The notion that there are two kinds of human beings the strong and the weak is dispelled in this helpful and balanced study of psychic strength and spiritual strength We are much more alike than we may think says Paul Tournier the renowned Swiss psychotherapist and student of the Bible What is different is the external mask that hides identical inner weaknesses and fears All of us are afraid of others of God of ourselves of life and of death What distinguishes us from one another is the way we react to our common distress In vivid case histories from his notebook Dr Tournier illustrates the importance of self understanding in the advancement of healing in Christian freedom He turns to the Bible to show that the Christian message of sin and grace helps us to accept ourselves realistically in the confidence that God has already accepted us in Jesus Christ It is through the power derived from Him that we are enabled to find hope and freedom from fear This book with its refreshing insights into the parts played by psychology and
