All About H. Hatter G V Desani,2007-11-06 Wildly funny and wonderfully bizarre All About H Hatter is one of the most perfectly eccentric and strangely absorbing works modern English has produced H Hatter is the son of a European merchant officer and a lady from Penang who has been raised and educated in missionary schools in Calcutta His story is of his search for enlightenment as in the course of visiting seven Oriental cities he consults with seven sages each of whom specializes in a different aspect of Living Each teacher delivers himself of a great Generality each great Generality launches a new great Adventure from each of which Hatter escapes not so much greatly edified as by the skin of his teeth The book is a comic extravaganza but as Anthony Burgess writes in his introduction it is the language that makes the book It is not pure English it is like Shakespeare Joyce and Kipling gloriously impure The count of Monte Cristo, revised by H.
