Thin Disguise:

To Wake the Nations Eric J. Sundquist,1993 Sundquist presents a major reevaluation of the formative years of American literature 1830 1930 that shows how white and black literature constitute a single interwoven tradition By examining African America s contested relation to the intellectual and literary forms of white culture he reconstructs American literary tradition

A Refugee from His Race Carolyn L. Karcher,2016-02-10 During one of the darkest periods of U S history when white supremacy was entrenching itself throughout the nation the white writer jurist activist Albion W Tourg e 1838 1905 forged an extraordinary alliance with African Americans Acclaimed by blacks as one of the best friends of the Afro American people this country has ever produced and reviled by white Southerners as a race traitor Tourg e offers an ideal lens through which to reexamine the often caricatured relations between progressive whites and African Americans He collaborated closely with African Americans in founding an interracial civil rights organization eighteen years before the inception of the NAACP in campaigning against lynching alongside Ida B Wells and Cleveland Gazette editor Harry C Smith and in challenging the ideology of segregation as lead counsel for people of color in the 1896 Plessy v Ferguson case Here Carolyn L Karcher provides the first in depth account of this collaboration Drawing on Tourg e s vast correspondence with African American intellectuals activists and ordinary folk on African American newspapers and on his newspaper column A Bystander s Notes in which he quoted and replied to letters from his correspondents the book also captures the lively dialogue about race that Tourg e and his contemporaries carried on

Residues of Justice Wai Chee Dimock,2021-01-08 This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1996

How Race Is Made Mark M. Smith,2009-09-14 For at least two centuries argues mark smith white southerners used all of their senses not just their eyes to construct racial difference and dene race His provocative analysis extending from the colonial period to the mid twentieth century shows how whites of all classes used the articial binary of black and white to justify s

The New American Studies Philip Fisher,1991-01-01 A gathering of major importance Fisher brilliantly articulates the distinctive work of new historicism in treating American texts and circumstances His introduction together with the consistently high quality of the essays and their remarkable range of approaches makes this dramatically superior to earlier collections As a help to working scholars trying to sort out new developments and as an introduction for graduate students this will be the best available guide T Walter Herbert author of Marquesan Encounters Melville and the Meaning of Civilization
