Think About These Things Tom Kingery, 2019-01-30 God has a mind Created in God s likeness we too have a mind God has thoughts and we do too How wonderful to think about what God thinks How awesome the depths How glorious the heights How perfect the perceptions Yet what about when our thoughts turn to sin Think about These Things shows how the mind affects the soul and that there is such a thing as sinful thoughts which are just as offensive to God as sinful actions Our minds are where we meet the likeness of God within us from creation and because of this our minds are important Author and pastor Tom Kingery explains how we can safeguard our minds and souls from sinfulness instead relishing in heavenly thoughts produced by faith Then we can apply our minds to what is true to what is honorable to what is just to what is pure to what is pleasing and to what is gracious How important to you are your thoughts about God about Christ about the kingdom of heaven What are the things you think about most How do your thoughts affect you How does what you think affect your behavior How does what you think about others affect your attitudes toward them While it s not entirely true that we are what we think our relationships with God with ourselves with others and with the world are based on our thoughts As the proverb says As he thinks in his heart so is he Proverbs 23 7 KJV
