Thirty Poems:

Thirty Poems William Cullen Bryant, 1864 *30 POEMS* William Cullen 1794-1878 Bryant, 2016-08-27 **Thirty Poems** Robert Walser, 2012 In a small exquisite clothbound format resembling the early Swiss and German editions of Walser's work *Thirty Poems* collects famed translator Christopher Middleton's favorite poems from the more than five hundred Walser wrote. The illustrations range from an early poem in perfect copperplate handwriting to one from a 1927 Czech German newspaper to a microscript.

Thirty Poems William Cullen Bryant, 2015-06-15 Excerpt from *Thirty Poems* The author has attempted no other classification of the poems in this volume than that of allowing them to follow each other according to the order of time in which they were written. It has seemed to him that this arrangement is as satisfactory as any other since at different periods of life an author's style and habits of thought may be supposed to undergo very considerable modifications. [The Angels Knocking on the Tavern Door](#) Hāfiz, 2008-03-25 At last in English is a wide selection from the great Persian poet Hafez so beloved in Iran that almost every family there keeps his Divan close at hand. When Robert Bly and Coleman Barks visited Iran they heard schoolchildren singing Hafez poems at his graveside. For some fifteen years the great Islamic scholar Leonard Lewisohn has worked with Robert Bly to produce this translation which for the first time carries into English Hafez's nimbleness, his fierce humor directed at the mullahs, his astonishing range of thought and the delight of his love poems. A master of the ghazal form, one of the greatest inventions in the history of poetry, Hafez may be considered as Rumi's wild younger brother and is now translated into an English that helps us understand his true genius.

30 Jennifer L. Hillman, 2016-04-08 With a cup of coffee on the desk each morning before dawn I write. Inspired by NaPoWriMo or National Poetry Writing Month is an annual project in which participating poets write a poem a day for the month of April. Here are those poems written during the 2013 NaPoWriMo. Poetry brings connection between the heart and soul, the Heavens to Earth, person to person. Like music it raises the vibration within, capturing the emotion and moving the soul into a better space, even when writing of loss, grief, to the passions of love and beyond. Inspiration from poetry comes from everything in all forms of things: Nature, friendship, animals, love, and the now moment expressed in a few words are just some magical possible themes to my poems. Most are short and to the point, like a breath being expressed on the early morning thoughts, dreams of the night before, looking deep within myself and writing a moment's truth and realization. All poetry is personal and universal at the same time. We are all one. So with this being said, Live Your Magic.
