**Delineator** R. S. O'Loughlin,H. F. Montgomery,Charles Dwyer,1919 *Dinner with Dad* Cameron Stracher,2007-05-22 Our

kitchen is small the appliances dated We don t have a fancy six burner stove or double wall oven like some of our wealthier

neighbors But as I remove the second pizza from the oven the kitchen feels perfect neither too big nor too small neither too

old nor too new The kind of kitchen where my brother can enter carrying both my son and my daughter in his arms from

Dinner with Dad A beautiful intelligent wife two bright children a gorgeous home in a nice Connecticut suburb an ample

income as a successful lawyer by all accounts Cameron Stracher is living the American dream Problem is thanks to a

crazybusy work schedule he s never home to enjoy it Most nights Cameron grabs dinner on the run eating on the late train

home long after his wife and kids have finished their meal So one day Cameron commits himself to a revolutionary

experiment For the next year he ll be home by six o clock at least five days a week to sit down to a real family dinner and he ll

even help cook that dinner himself Instead of stuffing a taco into my mouth in the back of the train I will saut chicken and

peppers for my own fajitas Instead of dining alone I will dine with my family Instead of Absent Dad I will be Nourishing Dad

But as this daring adventure gets under way it becomes clear that the road to culinary togetherness is no cakewalk Six year

old Lulu eats only plain pasta with salt and nine year old Simon clings immovably to hot dogs What s more Cameron begins to

feel that his normally sympathetic wife Christine is growing tired of having him underfoot at unexpected hours Only the

author s faith in another American dream family closeness at the dinner table keeps him moving and as he shops chops and

cooks he ponders the high percentage of Americans who d rather work than be with their families who d rather take

conference calls than meet the school bus Fired with love and humor wit and heart and peppered with engaging social and

cultural history Dinner with Dad is a four star five course celebration of family life Millions of overextended parents will

relate to and relish Cameron s journey as he discovers what truly matters most Advance praise for Dinner with Dad Dinner

with Dad is for every spouse who s ever crashed on the rocks of the suburban dream and for every parent who s had his heart

broken by a child s turned up nose Stracher writes with humor and honesty about the pitfalls and triumphs of trying to have

your family and eat with them too Julie Powell author of Julie Julia Busy fathers everywhere will immediately identify with this book and hopefully will heed its message Well done Cameron someone needed to write this book Now dads everywhere need to read it Mike Greenberg author of Why My Wife Thinks I m an Idiot A warm hearted loving and funny look at the way we live now Can a dad get home for dinner cook it and live to tell the tale Stracher s story gives hope to the hungry and cheer to the overemployed Harlan Coben author of The Woods
