to leave or enter Lomath until he is found As the police fail to find the wanted man and hours stretch into days the town of Lomath begins to buckle under the strain Like Russian dolls each hostage seems to be harboring a captive of their own Even Livy s parents may have something to conceal and Livy must learn that the source of danger is not always what it appears Rosalie Knecht s wise and suspenseful debut evokes the classics while conjuring the contemporary paranoia of the post terrorist age Relief Map doesn t loosen its grip until the consequences of this catastrophic summer and the ways in which a quiet girl s fate can be rerouted and forever changed are made fully apparent
