The Torah Personality Nisson Wolpin,1980 The Torah Personality Nisson Wolpin,1988 **Israel Salanter, Text, Structure, Idea** Hillel Goldberg,1982 Reason, Emotion, and Habit in the Training of a Torah Personality Nachman Bulman,1973 *Chapters of the Sages* Reuven P. Bulka,1977-07-07 *Pirkey Avoth_Chapters of the Sages*_is one of the most well known texts in Jewish tradition It contains the ethical and moral principles guiding the Jewish way of life as handed down by the sages In essence it is a guidebook for living In this bilingual edition Reuven P Bulka a highly regarded rabbi author and editor who also has a Ph D in psychology provides the reader with a modern translation of Pirkey Avoth as well as an analysis of the text based on his experience in Torah study and his knowledge of psychology Much commentary has been written on this important work yet Rabbi Bulka s commentary differs in that he focuses on the psychological wisdom contained in this classical text He seeks the thematic connections between each of the chapters showing that Rabbi Yehuda haNasi who compiled Pirkey Avoth chose the statements and their order deliberately Rabbi Bulka does not resort to explication through outside sources but rather offers an understanding of each chapter on its own giving the reader a springboard to further exploration aid elaboration of this most significant work Pirkey Avoth is divided into six chapters The first five deal with different dimensions of existence including the transmission of Jewish values the direction of one s life path the means of keeping sanctity in one s life the values that become part of one s personality and how Torah is and should be expressed in life The sixth chapter also known as The Acquisition of Torah focuses on what is meant by a Torah true personality which is not easily attained but encompasses all that is good in life Rabbi Bulka has enabled the contemporary reader to access the wisdom of the Jewish sages by presenting Pirkey Avoth in a manner applicable to today s world in today s terms Judaism: Religion of Reason Rabbi Moshe Ben-Chaim,2011-08-06 Jewish life has become tainted by man made religions mysticism and pop kabballah Based on the Sages writings and 10 years in the making Rabbi Moshe Ben Chaim debunks these false notions presenting an intelligent analysis of Torah to reveal beautiful insights Judaism is the only religion based on proof and reason not blind faith and superstitions Intelligence is the only key that unlocks God s wisdom Readers will quickly distinguish authentic Judaism from popular notions preferring Torah s brilliance over simplistic belief

Charting the Mesorah Zechariah Fendel,1994 **The Ethical Personality** Zechariah Fendel,1986 The Human Challenge Rabbi Avraham Edelstein ,2021-04-19 Every human being is presented with the human challenge How do I grow How do I become wise How do I sanctify the world around me and make it a better place How do I work on my character How do I integrate work and food and intimacy into my life s goals This volume is an attempt to answer these questions for the intelligent and sensitive adult reader It draws significantly on deeper Jewish thought balancing brevity with profundity The Human Challenge provides a rich and exciting entry point for those who are at the early stages of their relationship with

Judaism as well as significant benefit to those with an extensive background as it provides a methodical and sourced overview of topics that may otherwise remain as fragmented insights

Seventy Faces Norman Lamm, 2002 Over the past twenty five years the presidency of Yeshiva University has been a mighty pulpit from which Dr Norman Lamm has addressed many of the critical issues that have faced world Jewry and confronted Modern Orthodoxy As spokesman for the institution that he leads the movement he champions and the Jewish people he loves Dr Lamm has fearlessly addressed such issues as the possibilities for faith and real religious commitment in the modern world unity within a fragmented and contentious Jewish community morality within a libertine contemporary society and the prospect for Zionism and Israel within the world of nations He has defined the parameters and structured the vision of Modern Orthodoxy as a vibrant and attractive religious phenomenon that combines fidelity to Jewish tradition while embracing the modern world of knowledge and culture with tolerance for all Jews and civility toward all humankind This is the definitive work on modern orthodoxy

Religion of Reason Rabbi Moshe Ben-Chaim, Is Torah mystical or rational just like God s natural laws It s time a book unveiled the truth Is Torah like all other religions incomprehensible mysticism as Kabbalists suggest or perfectly rational Religion of Reason not only unveils widespread Jewish mystical beliefs as false but true Torah insights are presented in their rational form just like God s natural laws No powers exist besides God And as Ibn Ezra writes God prohibits belief in mysticism for reasons you will learn Talmudic and Torah sections are explained metaphorically as our Rishonim say they must be understood offering astonishing and pleasing insights Finally Jews can understand the falsehoods they have accepted and abandon them in place of true Torah gaining a deep appreciation for God s wisdom

Beyond Reasonable Doubt Louis Jacobs, 1999-03-01 In this sequel to We Have Reason to Believe Louis Jacobs examines afresh all the issues involved He does so objectively but with passion meeting the objections put forward over the past forty years by critics from the various trends within the Jewish world both Orthodox and Reform and inviting a new generation of readers to follow the argument and make up their own minds More than forty years have passed since Louis Jacobs first published the still controversial book We Have Reason to Believe the work which led to his being outlawed by the Orthodox Jewish establishment In this new book he examines afresh all the issues involved meeting all the objections put forward from the various trends within the Jewish world so that readers can make up their own minds
