Torah Powerhouse Aharon Pollak,1996 *Claiming Abraham* Michael Lodahl,2010-04-01 Many of the Bible s characters and stories are also found in the Qur an but there are often differing details or new twists in the Qur an s retelling of biblical narrative In this compelling book seasoned theologian Michael Lodahl explores these fascinating divergences to discover the theological difference they make Writing from a Christian perspective that is respectful of the Islamic tradition Lodahl offers an accessible introduction to Muslim theology and to the Qur an s leading themes to help readers better understand Islam Lodahl compares and contrasts how the Bible and the Qur an depict and treat certain characters in common to both religions including Noah Abraham Moses and Jesus He offers theological reflection on doctrines held in common by Christians and Muslims such as creation revelation and the resurrection of the body Lodahl also explores the Jewish tradition as an important source for understanding the Qur an **The United Synagogue Recorder** ,1926 **Dare to Question** Jeremy Rosen,2019-08-15 This collection of essays explores the origins of Jewish religious ideas and how they have evolved over the millenia It shows how there are different ways of looking at basic theological ideas and takes an open minded creative approach to resolve the problems and challenges that face an ancient tradition in a modern world It combines rationality with mysticism and is aimed at the general reader of any persuasion who enjoys thinking about religious issues **Gender and Timebound Commandments in Judaism** Elizabeth Shanks Alexander,2013-04-22 The rule that exempts women from rituals that need to be performed at specific times so called timebound positive commandments has served for centuries to stabilize Jewish gender It has provided a rationale for women s centrality at home and their absence from the synagogue Departing from dominant popular and scholarly views Elizabeth Shanks Alexander argues that the rule was not conceived to structure women s religious lives but rather became a tool for social engineering only after it underwent shifts in meaning during its transmission Alexander narrates the rule s complicated history establishing the purposes for which it was initially formulated and the shifts in interpretation that led to its being perceived as a key marker of Jewish gender At the end of her study Alexander points to women s exemption from particular rituals Shema tefillin and Torah study which she argues are better places to look for insight into rabbinic gender **The Power of Torah** Tony George,Holatha Hopaii Gawonii,2017-04-11 My heart felt purpose in writing this is to bring honor back to Yahuah Torah HIS Feasts and Sabbath Covenant This book is on an academic level of thought and information based on archeology biblical archeology and church history and after you read this there will be no more argument because the best way to show what is true is to expose the origin of the mistranslations and how the mystery of iniquity disguised itself as the truth through greco roman based doctrines Mankind has been bewitched for 1900 years and it is time the truth be told so every individual can make a conscious choice to honor the Father YHUUH This book will cause you to question study argue and debate but above all it will cause you rethink and to challenge the theology and the theologians who continue to sign off on this heresy and to raise up

generation after generation of proselytes It is time to walk and live in the true covenant Promise of YHWH written in Jer 31

 Appointed times I encourage everyone to discern with ancient wisdom and to repent if necessary I pray the theologians will
 be bold and tell the truth but above all I pray for every soul heart and mind these words touch That you will search your heart
 and take time out to Honor the Father He has been called by many names but his true name is Yahuah YHWH Honor the
