Tornado Pratt A Novel:

Tornado Pratt Paul Ableman, 1992 Never before published in the United States this very American novel presents a Yankee tycoon's explosive career paralleling the boom and bust Twentieth Century. By the American educated English author of *I Hear Voices* Tornado Pratt was published originally in 1977 but only in Great Britain. The eponymous protagonist is not likely to win kudos for political correctness since his story is something of a fictional cross between Hunter Thompson and P J O'Rourke. The narrative leaps out as one of the premier novels told in first person deranged. It is time that serious notice was taken of Paul Ableman. Ableman's fictional gifts are so good that one can only curse a situation that denies the chance of their more frequent expression. Anthony Burgess *The 1970s: A Decade of Contemporary British Fiction* Nick Hubble, John McLeod, Philip Tew, 2014-02-27 How did social, cultural and political events in Britain during the 1970s shape Contemporary British Fiction? Exploring the impact of events like the Cold War, miners' strikes and Winter of Discontent, this volume charts the transition of British fiction from post-war to contemporary. Chapters outline the decade's diversity of writing, showing how the literature of Ian McEwan and Ian Sinclair interacted with the experimental work of B S Johnson. Close contextual readings of Welsh, Scottish, Northern Irish and English novels map the steady break-up of Britain. Tying the popularity of Angela Carter and Fay Weldon to the growth of the Women's Liberation Movement and calling attention to a new interest in documentary modes of autobiographical writing, this volume also examines the rising resonance of the marginal voices of the world of 1970s British Feminist fiction and postcolonial and diasporic writers. Against a backdrop of social tensions, this major critical reassessment of the 1970s defines, explores and better understands the criticism and fiction of a decade marked by the sense of endings. **The New York Times Book Review**, 1993 Presents extended reviews of noteworthy books, short reviews, essays and articles on topics and trends in publishing, literature, culture and the arts. Includes lists of best sellers, hardcover and paperback. *Fiction Index Three* Gerald Brooks Cotton, 1975 **Reading the World's Stories** Annette Y. Goldsmith, Theo Heras, Susan Corapi, 2016-08-11 *Reading the World's Stories* is volume 5 in the *Bridges to Understanding* series of annotated international youth literature bibliographies sponsored by the United States Board on Books for Young People. USBY is the United States chapter of the International Board on Books for Young People (IBBY), a Switzerland-based nonprofit whose mission is to bring books and children together.
