Torreys Miracle:

Torrey's Miracle a Matter of Choice Margaret Berger Morse,2001-05 Bob was brought up as a respectable and highly favored young man The town s people looked up to him as if he was a saint a man who could do no wrong He was the pastor of the most liveliest church in town beloved father cherished husband and a proud loyal WWII soldier However Bob s admirers had no idea that their idolized leader was capable of such infidelity Would his once secretive ways cause him to plummet from the pedestal he was placed on and loose everything he loves Christ-Centered Robert P. Menzies,2020-10-05 Pentecostals are often portrayed as emotional people who are driven largely by experience In Christ Centered Menzies argues that this caricature misses the fact that Pentecostals are fundamentally people of the book Although Pentecostals encourage spiritual experience they do so with a constant eye to Scripture The Bible and particularly the book of Acts fosters and shapes pentecostal experience Additionally Pentecostals are defined by their emphasis on a personal relationship with Jesus Christ At its heart the pentecostal movement is not Spirit centered but rather Christ centered The work of the Spirit as Pentecostals understand it centers on exalting and bearing witness to the Lordship of Christ Menzies develops these themes by examining the origins biblical foundations and missional orientation of the modern pentecostal movement He concludes that in spite of contradictory messages from some in fundamentalist pews and the pentecostal academy Pentecostals are and have always been solidly evangelical Under two masters, the story of Jacoby, dr. Torrey's assistant John Kennedy Maclean,1905 **A House Full of Apes** Margaret Berger Morse,2014-07-28 A family of stuffed apes and their friends join a human family and have many adventures together *Laugh a Lot Cry a Lot* Margaret Berger Morse,2009-07 The story of Whitney Morse s recovery from a sub cranial bleed called Wernicke s Aphasia which resulted in two strokes **Guaranteed Pure** Timothy Gloege,2015-04-27 American evangelicalism has long walked hand in hand with modern consumer capitalism Timothy Gloege shows us why through an engaging story about God and big business at the Moody Bible Institute Founded in Chicago by shoe salesman turned revivalist Dwight Lyman Moody in 1889 the institute became a center of fundamentalism under the guidance of the innovative promoter and president of Quaker Oats Henry Crowell Gloege explores the framework for understanding humanity shared by these business and evangelical leaders whose perspectives clearly differed from those underlying modern scientific theories At the core of their corporate evangelical framework was a modern individualism understood primarily in terms of economic relations Conservative evangelicalism and modern business grew symbiotically transforming the ways that Americans worshipped worked and consumed Gilded Age evangelicals initially understood themselves primarily as new Christian workers employees of God guided by their divine contract the Bible But when these ideas were put to revolutionary ends by Populists corporate evangelicals reimagined themselves as savvy religious consumers and reformulated their beliefs Their consumer oriented orthodoxy displaced traditional creeds and undermined denominational authority forever altering the American religious

landscape Guaranteed pure of both liberal theology and Populist excesses this was a new form of old time religion not simply compatible with modern consumer capitalism but uniquely dependent on it *Torrey's Miracle* Margaret Morse,2001-05-01 This is the personal account of a familya **Journal, ed. by B. Goodheart,2001-09-15 Like a natural disaster the diagnosis that your child has cancer can leave you and your family feeling helpless How do you explain the disease to the child and to his or her siblings How can you communicate your child s needs to the hospital staff What are the best ways to reduce the physical side effects and the emotional distress of treatment How will you your child or teenager and the rest of your family cope with cancer and what can you do to help When and where do you find good psychological help for your child or your family How do you manage financial and school issues How can you foster your child s development and self esteem More than 12 000 American children will be diagnosed with cancer this year and roughly 75% will survive In addition to excellent medical care their survival depends on a strong support network which may include parents siblings extended family members friends and neighbors classmates and teachers In this down to earth guidebook the authors draw on their own family s experience with cancer as well as their professional expertise and stories from others to help families address the psychological impact of cancer The result is a book filled with sound emotional guidance useful information and practical advice for families coping with cancer How to promote & conduct a successful revival, ed. by R.A.
