Total Church Life:

Total Church Life Darrell W. Robinson,1985 **Total Church** Tim Chester,Steve Timmis,2008-08-21 Church is not a meeting you attend or a place you enter write pastors Tim Chester and Steve Timmis It s an identity that is ours in Christ An identity that shapes the whole of life so that life and mission become total church With that as their premise they emphasize two overarching principles to govern the practice of church and mission being gospel centered and being community centered When these principles take precedence say the authors the truth of the Word is upheld the mission of the gospel is carried out and the priority of relationships is practiced in radical ways The church becomes not just another commitment to juggle but a 24 7 lifestyle where programs big events and teaching from one person take a backseat to sharing lives reaching out and learning about God together In Total Church Chester and Timmis first outline the biblical case for making gospel and community central and then apply this dual focus to evangelism social involvement church planting world missions discipleship pastoral care spirituality theology apologetics youth and children s work As this insightful book calls the body of Christ to rethink its perspective and practice of church it charts a middle path between the emerging church movement and conservative evangelicalism that all believers will find helpful Total Church Life Darrell W.
