## **Touch Of The Artist:**

**The Touch of the Artist** Margaret Morgan Grasselli, 1995      **The Touch of the Artist. Master Drawings From the Woodner Collections** Margaret Morgan Grasselli, 1906      The Touch of the Artist Margaret Morgan Grasselli, National Gallery of Art (U.S.), 1995      **The Artist's Touch** E.J. Russell, 2018-02-10 A destitute artist His art investigator ex lover Two men haunted by more than the past Painter Stefan Cobbe was homeless and debt ridden after the death of his wealthy partner but the worst loss of all was his artistic inspiration After two years of nothing he s offered patronage by an eccentric gallery owner and starts to produce again canvas after canvas The only problem He can t remember painting any of them not one single brushstroke Luke Morganstern s reputation as an art fraud investigator is in tatters He can t afford to turn down any job even a lousy one for an anonymous client who sends him after an unidentified forger in a remote cabin in Oregon When the alleged forger turns out to be Stefan the man he never stopped loving Luke s professional ethics are stretched beyond the breaking point As the two men take tentative steps toward reconciliation evidence begins to mount that they re not alone in the woods Someone or something is watching Something with sinister plans for them both To escape Luke must overcome his suspicions and Stefan must trust Luke with his deepest fears Otherwise they could forfeit their relationship their sanity and their lives NOTE This is a heavily revised and significantly expanded reprint of the author s Northern Light however the text does not differ from the first edition of The Artist s Touch      The Artistic Touch 3 Christine M. Unwin, 1999-08 The Fine Art work of 110 artists are presented in The Artistic Touch 3 which is the 3rd book in the Artistic Touch series Each of the artists describe their inspirations and the techniques that are employed The Watercolor Medium is used by most of the artists but there are also oil acrylic and pastel techniques presented An example of the quality of work which makes up the Artistic Touch series is a review in the American Artist magazine where it was stated American Artist Magazine Book Review of The Artistic Touch RECOMMENDED BOOKS This lavishly illustrated volume would be worth its price even without the text It s fun reading because of the variety of works which are broken up into such categories as abstractions animals machines the sky travel and landscapes There are sixty five watercolorists represented including Nita Engle Judi Betts Frank Webb Janet Fish Pat Deadman and Jeanne Dobie Under most of the paintings reproduced here the artists describe their inspiration for the work and offer various tidbits of technical information      Sculpture and Touch Peter Dent, 2017-07-05 Since the Renaissance at least the medium of sculpture has been associated explicitly with the sense of touch Sculptors philosophers and art historians have all linked the two often in strikingly different ways In spite of this long running interest in touch and tactility it is vision and visuality which have tended to dominate art historical research in recent decades This book introduces a new impetus to the discussion of the relationship between touch and sculpture by setting up a dialogue between art historians and individuals with fresh insights who are working in disciplines beyond art history The collection brings together a rich and diverse set of approaches with essays tackling subjects from prehistoric figurines to the

work of contemporary artists from pre modern ideas about the physiology of touch to tactile interaction in the museum environment and from the phenomenology of touch in recent philosophy to the experimental findings of scientific study It is the first volume on this subject to take such a broad approach and as such seeks to set the agenda for future research and collaboration in this area
