WRITING

Directions: Print front to back and cut apart the sentence strips. Put students into small groups. Students work together to turn the sentences into an informational writing paragraph following the TIDE acronym. Students read their paragraph to the class.

Football is a game with a pointed ball.

A team of players tries to score points.

They run with the ball to the end zone.

A quarterback is a football position.

Only the quarterback can throw the ball forward.

Players wear safety gear.

They have helmets and pads.

Teams work hard to win football games.

Tide Teamwork:

Tide Teamwork Don Gambril, Jonty Skinner, 1995 **Your Baby's Ugly** Justin Goodbread, 2022-01-01 This book helps you improve your business in eight key areas that will set you up for growth in revenue and profits today not just for eventually selling your business Focus on the present as shown and you'll have more sales more profit and even more exit options Chris Snider CEO of Exit Planning Institute Those who operate their own company firm or practice typically plan for everything except success Too often business owners focus only on generating an income from their operations they fail to realize the real payoff comes from building an enterprise that has value beyond the income they earn annually The result is a squandered opportunity to truly achieve the American Dream If you're a business owner and you want to avoid that mistake read this book It could be the best book on entrepreneurship I've ever read It presents a highly realistic view of operating a business and offers practical advice that can make the difference between you selling your business one day for massive amounts of money or failing to get even a single offer The sooner you read this in the life cycle of your enterprise the better Ric Edelman Founder Edelman Financial Engines Techniques for Ship Handling and Bridge Team Management Hiroaki Kobayashi, 2019-11-06 Hiroaki Kobayashi has trained 1500 mariners in ship handling over twenty years and he has systematized the methods of safe navigation into nine elemental techniques Taking a rigorous and scientific look at good practice and attitudes good seamanship can be viewed as a series of concrete technical functions which can be in terms of competencies By giving proper attention to human factors the conditions for maintaining system safety can be defined and the interaction of human competencies and environmental conditions and their effects on system safety can be recognised System safety in turn depends on good bridge team management with particular emphasis on communication cooperation and leadership communication for the exchange of information cooperation to smooth team activities and leadership to ensure that each member of the team performs successfully *World Class* Peggy Shinn, 2018-02-06 What makes a great team Sports journalist Peggy Shinn answers this question in her enthralling account of the dramatic rise of the U S women's cross country ski team winners of eight medals at three world championships over the past five years Shinn's story based on dozens of interviews with athletes coaches parents spouses and friends paints a vivid picture of the obstacles that America's female athletes must overcome not just to ski with the world's best but to beat them In a sport where U S women have toiled for decades mostly in the middle or the back of the pack the development of a world class team attests to the heady combination of a transformational leader a coach who connects with his athletes the super fast individual skiers who are also conscientious teammates and a bit of good luck This is the story of Kikkan Randall Liz Stephen Holly Brooks Jessie Diggins Ida Sargent Sadie Bjornsen Sophie Caldwell Rosie Brennan and coach Matt Whitcomb and how they created the perfect team
