Breeches and Metaphysics S. S. Prawer,2017-12-02 This study traces the successive stages of Thackeray s contact with the German world and analyses the discourse he developed as a result The author is concerned with the fiction and criticism of Thackeray s Paris Sketch Book and the impressions related by the cockney traveller in Irish Sketch Book and Notes of a Journey from Cornhill to Grand Cairo Thackeray s own pictorial illustrations of his writings and those by Cruikshank Doyle and Walker which he supervised and supplemented are recognized as an integral part of his German discourse The study is a chronological one setting Thackeray s construction of German and the Germans against the background of his own development and of the social industrial cultural and political history of Britain and its continental neighbours

Thackeray Catherine Peters,1999 Born into gentlemanly affluence William Thackeray s life was shattered by early separation from his mother Unhappy at school and idle at Cambridge he gambled away part of his fortune before he was 21 This biography explores his life and literary success and is illustrated with his own drawings *A Book of*

Recollections John Cordy Jeaffreson,1894 *Thackeray's Universe* Catherine Peters,1987 This critical biography offers an engaging look into the life world and works of one of the greatest Victorian novelists Catherine Peters offers a compelling portrait of Thackeray s early childhood and schooling his friendships and his marriage and his work for Fraser s Monthly and Punch She devotes entire chapters to his masterworks Vanity Fair Pendennis and Henry Esmond and also draws illuminating comparisons between Thackeray s approach to writing fiction and that of his great contemporary Dickens **Dickens's**

Artistic Daughter Katey Lucinda Hawksley,2018-04-30 A biography of a Victorian era woman who grew up as the daughter of novelist Charles Dickens and found a creative career of her own Katey Dickens was born into a house of turbulent celebrity and grew up surrounded by fascinating famous and infamous people From a very young age she knew her vocation was to be an artist Lucinda Hawksley charts the life of a celebrated portrait painter who redefines our preconceptions about Victorian women Living to be almost ninety Katey survived an unconventional marriage love affairs heartbreak depression and the challenges of being a female artist in a male dominated era Compelling and illuminating this biography of Katey Dickens tells the story of a spirited woman who found fame at the center of the first celebrity phenomenon it also uncovers the reality of what it was like to be a child of Charles and Catherine Dickens W.M. Thackeray's European Sketch Books Siegbert

Salomon Prawer,2000 This copiously illustrated study focuses for the first time in any language on the whole range of Thackeray s verbal and graphic portraits and caricatures of European men women and children of his own and earlier periods It takes its readers on what he called a Roundabout Journey in which they look through the eyes of a variety of narrators and personae at natives of France Greece Italy Switzerland the Habsburg Empire Poland Russia Scandinavia the

Low Countries Spain Portugal and Turkey There are a few German examples too but these are peripheral here because the author has considered them in depth in a previous book *Breeches and Metaphysics Thackeray's German Discourse* The contexts in which these portraits and caricatures are set include more or less ironized stereotypes and conventions impressions of landscapes and townscapes trade and diplomatic relations European literature drama showmanship journalism music and many varieties of the pictorial arts Some of the most memorable portrayals characterize past and present writers and artists through descriptive analyses of their work Contemporary prejudices and received opinions relating to class gender and nationality flow freely into such characterizations but they are constantly relativized by the interposition of quirky narrators and a keen sense of the failings and snobberies of Britons observed at home and abroad While reflecting his time in many ways Thackeray's discourse also helped to shape it and a close scrutiny of the European portraits here disengaged from his work should serve to enhance his stature as a shrewd and witty observer a gifted portraitist and caricaturist with pen and pencil and a powerful voice in Britain's ongoing conversation with her European neighbours
