While helping with the investigation of these fires the team Bill is on gets side swiped by an unmannered FBI agent who seizes all of the team's efforts at solving the crimes. Determined to give his community closure Bill and the team continue clandestinely to find the culprit. In the meantime a young man comes to town and is quickly assimilated into the community. The young man actually a FBI agent in disguise soon realizes that what his boss told him about the arson fires was not exactly true. Meanwhile the perpetrator of the arson fires follows a strange calling to return to the area of the deadly arson fires. As the young FBI agent Bill and a woman police officer start to zero in on the elusive arsonist the town becomes embroiled in a deadly battle to save the life of Diana.
