The Counterfeit Church:

The Counterfeit Church Tom Linn,2018-09-23 The Counterfeit Church will try to shed light on what the Bible refers to as those who come in the Name of Jesus and without knowing the reason behind following traditions while at the same time disregarding the written Word and placing themselves above the church that God started God had His apostles write that the church was not to divide 1 Cor 1 10 13 The church is believers who are committed to the apostles teaching What has happened is not that the church has gone astray it is that a loud boisterous harlot has been claiming to be her and has confused the masses so to speak The Bible says to study to show that you are saved and that by knowing the truth the truth will set you free So many know so little that it proves they have never actually received the Word of God rather they accepted the counterfeit let a man be their leader and tossed truth to the side This is hopefully a wake up call Them who escape those who live in error do it narrowly About the Author Tom Linn was born into a very Catholic family in 1957 He found that all of what he believed had no basis in the Bible no purgatory praying to Mary other dead believers Ash Wednesday popes cardinals all were made up by man He decided that he wanted to know the truth and asked God to accept it as his burden to make sure he was going to know the truth From that day forward God made sure he was in the Word daily and ever since he has never missed a day of Bible study

The Counterfeit Church Exposed Forrest Moore,2006-02 The Counterfeit Church Exposed This book was written to exposure the sources of deceptions that produce the counterfeit church It also offers an explanation for the increase of spiritual phenomena we are witnessing in the church today

The Counterfeit Church Forrest Moore,2004-04-01 People who are owned by bulldogs know what a special bond is formed with them I am one of them One cold autumn night a few months after my dad had passed I was drawn to the brilliance of the moon I went outside to look and there it was A full moon with the bottom portion darkened by the earth s path in between it and the sun the Bulldog Moon surrounded by trillions of sparkling stars I knew I was not alone Bulldog Moon is about life love loss and learning to live and love again Something we will all face in our life times Where we find our strength is as individual as we are For me it is to look to that Moon and sky to see all the sparkling eyes of the Angels looking down on us Telling us a new day is coming telling us to Never Give Up HOPE I hope it can help you on your journey

Roman Catholicism (The Counterfeit Church) Larry D Washington,2025-09-15 Is Roman Catholicism the true Church or the prophesied harlot of Revelation 17 In this urgent and eye opening book Bible teacher Larry D Washington exposes the Roman Catholic Church as the end time apostate system foretold in Scripture Mystery Babylon the Great the Mother of Harlots With clarity and conviction this work compares Catholic doctrine directly with the Bible tracing the system s origins from ancient paganism to its current role in the global ecumenical movement You will discover The pagan roots of Catholic rituals holidays and images The blasphemous rise of the papacy as a false Vicar of Christ The unscriptural doctrines of Mary worship purgatory and transubstantiation The global power and wealth of the Vatican The ecumenical agenda to unite all religions into one false

faith The prophetic identity of Religious Babylon in Revelation 17 18 God s final call Come out of her My people Rev 18 4 This is not a personal attack on Catholics but a loving call to examine tradition in the light of truth Millions are trapped in a religious system that denies the sufficiency of Christ s sacrifice and the authority of God s Word This book is a wake up call for the Church and a rescue mission for the deceived If you are Catholic this book is an invitation to freedom in Christ If you are a believer it is a trumpet blast to stay separate from the rising one world religion The time for compromise is over The hour is late The Lord is calling His people to stand Will you obey the call to come out from among her before it s too late

Counterfeit Christianity Roger E. Olson, 2015-08-04 Historic heresies didn t die or fade away Each generation boasts its own Even while these counterfeit teachings remain outside the accepted bounds of Christianity modern day versions plague churches So how does a church leader or pastor understand and deal with these age old controversies when they pop up in the congregation In this book Roger Olson describes the curses but also gifts that heresies bring the Church While heresies can occasionally correct a version of orthodoxy they are not simple confusions or misunderstandings about impenetrable mysteries of divine revelation Instead they undermine the faith and are dangerous distortions The author describes major heresies and how the church dealt with them the players and what pastors can do to address these faith issues in order to educate congregations about Jesus God and salvation Also included are questions for individual or group study Also available a Leader guide with DVD in which Adam Hamilton hosts on screen conversations with Roger Olson 9781501806360

The Counterfeit Church C. H. Reeb, 19?? *Counterfeit Gospels* Trevin Wax, 2011-04-01 What if the biggest danger to the church of Jesus Christ is not blatant heresy the moral failures of church leaders persecution the rise of Islam or the loss of our rights What if the biggest threat is counterfeit gospels within the church ways of thinking and speaking about the good news that lead to a gradual drift from the truth of Scripture The gospel is like a three legged stool There s the Gospel Story the grand narrative of Scripture Creation Fall Redemption Restoration Within that overarching framework we make the Gospel Announcement about Jesus Christ His perfect life substitutionary death resurrection exaltation The gospel announcement then births the Gospel Community God s church the embodiment of the gospel the manifestation of God s kingdom A counterfeit gospel is like a colony of termites eating away at one of the legs of this stool until the whole thing topples over This book exposes six common counterfeits Therapeutic Judgmentless Moralistic Quietist Activist and Churchless that would get us off track The goal of Counterfeit Gospels is to so deepen our love for the unchanging gospel of Jesus Christ that we would easily see through the many counterfeits that leave us impoverished So come love the gospel recognize and overcome the counterfeits and be empowered for ministry

Combating the Counterfeit Church: Recognizing Tradition Vs Truth Jamila Strong, 2017-05-09 This is a small bible study that gets to the point of recognizing tradition values and beliefs that have been allowed to infiltrate the Christian church We are living below New Testament standards and have replaced holiness truth and Christ like behavior with fortune cookie sermons and

no deliverance services Can you recognize when the enemy counterfeits church *The Counterfeit Kingdom* C. N. Senses,2012-09-11 The Counterfeit Kingdom shows why Christianity is the fastest declining religion in Amerca Why Does the Church Need Revival Why Does the Church Have Buildings Why Do We Go to Church on Sunday Why Doesn t the Church Have to Pay Taxes Why Does The Church Have Clergy and Lay Ministry Why Does the Church Simply Go Tell Others the Good News and then Keep Right on Going Why Does the Church Exploit Its Own Why Do Churches Split **The Counterfeit Church** K. G. (Kenneth Gordon) Mutter,1991 The Whore in Revelation is Israel and Then Rome Sabrina Dawkins,2023-08-22 The chief priests they have provoked me to anger with their vanities and I will move them to jealousy with those which are not a people I will provoke them to anger with a foolish nation Deuteronomy 32 21 Today the Roman Catholic Church history doesn t matter So when you tell them that Christ was black that knowing this is essential to correctly interpreting the Bible they still hold on to a more pleasant sounding counterfeit version that tickles their ears Perhaps Santa will save them since God doesn t know them The Haunted Whore House David Copperfield in his most spectacular illusion took the debris from a burned down brothel and created make believe Israel in the place where God had divorced a dark skinned whorish woman with a wandering eye The magician rattled the charred boards with his words and hidden hand bringing warring nations together that moved into a burnt whorehouse where a dark skinned harlot had been kicked out and forgotten But he rattled the shell the charred boards with the warring nations now inhabiting that place the physical location now devoid of God by Sabrina Dawkins poem published in Genesis and Reincarnation Adam was Black God and Satan are Spirits Bible Series Boo Jesus Christ the Counterfeit Christian Messiah - Incorporating "What Really Happened in the Garden of Eden" and God, Genes and Evil Lionel Attwell,2007-08-01 Lionel Attwell a former highly successful national newspaper reporter spent seven years investigating the Christian Church and discovered that it was built on a premeditated perversion of the original Hebrew Greek Scriptures ingeniously mutated to fit its warped agenda and erroneous doctrines In the process it created a pagan counterfeit Christianized Messiah His research also reveals the incredible events which actually occurred in the Garden of Eden the forbidden fruit was a narcotic and aphrodisiac when Eve was seduced by Satan and gave birth to a child with mutated genes subsequently inherited by the whole of mankind He also explains the causes of human disasters and suffering This book will change your life **Counterfeit Christian** Luis Lopez,2011-10-28 Luis Lopez was taken from his body for 25 minutes He faced a visit from satan and was guided by the Holy Spirit He was taken to the third heaven in spirit and saw the Lord seated on His throne He has written this book to relay the message the Lord placed in his spirit a call to repentance for the Body of Christ This book will encourage many to become more intimate with God building a stronger relationship with Him Repentance will prepare the way for the return of Christ You will learn How to hear the voice of the Holy Spirit How to have a more intimate and deeper love for God To see yourself from the perspective in holiness To see the schemes of the enemy and avoid his traps To be aware of the devil when operating in the

lives of others [The Counterfeit Kingdom](#) Larry Dorcik,2022-01-31 This book takes the reader on a whirlwind tour through biblical and world history in an attempt to discover the foundations and primary characters involved in the most incredible deception ever perpetrated on mankind The challenge of collecting all the clues cloaked in the mists of time and properly relating them to our modern times makes for an exciting and enlightening journey The faithful reader may be challenged by the cataclysmic conclusion Although I am a native Florida cracker my genetics originated in LA lower Alabama After a deep spiritual experience in my teen years I was called to serve in the Kingdom of God That service included deaconship worship leader and church elder in two churches in the greater Orlando area I am married to my wonderful wife of 58 years Alice We have three children and six grandchildren I enjoy gardening fishing and hunting Current events demanded I somehow share truth light and hope with my fellow man as the world spirals seemingly out of control Since I have never written anything more than a 500 page school report I believe the Holy Spirit has inspired and empowered me to write this timely piece

The Gospel of Deception Michele Neal,2017-09-18 The twenty first century Church seems to be abandoning its holy and anointed role of keeping watch over the souls of those who are followers of Christ Succumbing to the lure of deceptive teachings many church leaders are feeding their flock with Satan s counterfeits to authentic Christianity With a power packed Biblical message that will shake the Church to its core The Gospel of Deception exposes these counterfeits and warns believers of the dire eternal consequences if they fail to wake up and repent With global End Times signs escalating at a phenomenal rate Jesus could return at any moment but His Bride seems far from ready The Gospel of Deception is a Midnight Cry for the Bride of Christ to wake up and return to her First Love before it s too late but will she respond **The Doctrine of Demons** J C Thornton,2025-06-25 The Doctrine of Demons Exposing Satan s Counterfeit Church Corrupt Gospel and the Final Deception Are we living in the last days of truth Are the churches we see today still preaching the Gospel once delivered to the saints or have they become dens of deception feeding on emotionalism money and culture In The Doctrine of Demons J C Thornton delivers a fearless fire filled rebuke of the demonic lies that have infiltrated pulpits pews and public life This book is not soft theology It is not a suggestion It is a scriptural sledgehammer With over 50 000 words of bold biblical and prophetic insight this book uncovers the spiritual war behind modern religion It exposes the counterfeit church system that praises inclusivity while denying the authority of Scripture It confronts the prosperity gospel female preachers affirming theology idolatry of the pope false trinity teachings and every spirit that dares to replace Christ s truth with man made doctrine These are not minor errors they are doctrines of demons 1 Timothy 4 1 Thornton traces the satanic origin of modern deception from Eden to Rome to Hollywood and shows how Satan has used culture politics and compromised religion to seduce even the elect The book boldly refutes The rise of female pastors and the rebellion against biblical order The prosperity gospel that trades holiness for hype The deception of denominationalism and ecumenical compromise The worship of man made traditions saints and the papacy The rejection of Jesus as the One True God manifest in flesh Each chapter is a

clarion call to return to the only Gospel the only Church and the only Name under heaven whereby we must be saved Jesus Christ But this is more than a list of errors this is a call to rise Thornton challenges readers to repent of religious delusion reject cultural idolatry and be filled with the Holy Ghost He calls for men to lead again for churches to stand again and for truth to be preached again without fear The book climaxes with a powerful revelation of Christ not a second person of a trinity but the fullness of the Godhead bodily Colossians 2 9 It dismantles centuries of false teaching and reestablishes the original apostolic doctrine This isn't about division It's about separation from everything that opposes truth If you are tired of lukewarm sermons celebrity pastors and religious entertainment If you are hungry for the real the raw and the righteous If you want to be equipped to discern the true from the false Then The Doctrine of Demons is your wake up call This is the doctrine hell never wanted preached But it's the doctrine we need now more than ever

Counterfeit Christianity Harold Lerch,2025-08-18 This book is intended to provide a review of mainstream Christianity and to point out the perils of cults groups we call Counterfeit Christianity As we are a Christian ministry we also describe Christian cults with a bias against their dangerous teachings Cults generally have twisted definition of God According to the Internet A cult is a group with extreme often unorthodox beliefs and practices usually led by a charismatic figure who exerts strong influence over members Cults often involve excessive devotion to a person idea or object and may isolate members from mainstream society Cults accept non traditional interpretations of scripture They are founded by the false prophets the Bible warns us about They distort scriptures to fit their purposes and do not represent the ministry of Jesus and the apostles
