## **The Crying Rose:**

**The Crying Rose** Christin Lee Scafidi Adams,2025-09-24 This novel is a tapestry woven from many smaller stories each one a reflection of the human heart's struggles sorrows and triumphs From the Crying Rose of youthful longing to the Hidden Flower too afraid to bloom from the Shattered Heart mended by love to the Bearded Man who calms the madness of the world every tale carries its own truth yet connects to a greater whole The stories unfold like chapters of a single journey where symbols of heartbreak fear envy chaos and bitterness are transformed through resilience forgiveness and love The Sad Face in the Crescent Moon watches over a world consumed by envy while the Woman on the Train of Chaos finds light at the end of her tunnel Each narrative mirrors the others showing that though pain takes many forms healing always follows for those who dare to hope Together these mini books form a novel of long stories an exploration of the human spirit's capacity to endure to rise and to be renewed It is a journey through darkness into light through brokenness into wholeness and through despair into love At its heart the novel is a testament to the truth that even in the deepest sorrow beauty and redemption can be found

Roses and Blood Rodney S. Owens,2008-12-01 The heads have stopped spinning from the variety of pieces in Lost and Found and the smoke has cleared from the hard hitting assault of Locked and Loaded Now comes the unveiling of a two part pulse quickening collection of fragments from human emotion *Roses and Blood* slithers through out the cracks of emotions and feelings we have all felt at one time or another Whether it's the warm spark of a new found love or the dying flame of a relationship torn apart Some have even felt the sweat inducing heat of erotic lust The roller coaster ride we go through in almost any situation when we deal with matters of the heart Though no matter how warm and secure we may feel we can never escape from the icy grip of fear and horror It can freeze the warmest thought and release the restraints of a dark imagination Where anything can be a creature and every sound becomes a haunting echo Thoughts and images drawn from daily newspaper articles and stories that are broadcasted on the nightly news Creepy visions created and inspired by classic horror stories and films Personal fears we keep hidden inside ourselves that only surface when we are alone or in the dark The chill that rips down your spine and makes you check the closet twice before going to bed *Roses and Blood* will lure you in and make you feel loved and secure then like the flip of a switch have you feeling scared and vulnerable So curl up in your favorite chair and enjoy just be sure you lock the door first
