The Flourishing Tree:

The Flourishing Tree Hope Squires,2014-11-14 This books taps into the powerful imagery of trees to suggest ways that one may sink roots into God s Word and grow strong branches that bear the fruits of faith [The Flourishing Tree](#) Mabel Ringereide,1979* **The Flourish Series** Liza Kobayashi,2016-07-08 This book is a classic for this hour It is actually divided into two smaller books to facilitate study learning The author shares foundational principles of finding Jesus and becoming part of His kingdom She outlines the significance of knowing Him and being in relationship with Him This book is also interactive It challenges a reader to look deep within the depths of ones heart and to allow the Holy Spirit who is the source of power for the believer to Flourish to release inner healing freedom and revelation of his her true identity This book is timeless and will help all believers to grow in their faith It is a useful teaching tool for small groups a ready source for new believers and a call for all of us to be more effective as Gods warriors in the days ahead This book is a must have for your library Carolyn Suty Regional Director Aglow International **Psalms in an Age of Distraction** Ethan C. Jones,2024-10-22 The psalms endure Throughout the centuries Christians have read prayed and sung this rich collection of poems But in our current age of distraction the daily rhythms of modern life revolve more around screens than biblical texts This book argues that the psalms are poetry for the soul poetry that shapes us Beyond highlighting the poetry of the Psalter the book attends to the theological freight of these poems As such we learn to read Scripture more attentively and love God and the world well The first part of the book explores how we can read the psalms amid the pull of modern distractions The second part highlights the various features of several psalms showing what these poems can teach us about living in a more focused attentive way This engaging book demonstrates how our thoughts emotions and worship of the triune God are sharpened and deepened through the psalms In an era of dimly lit faces and multitasking the poetry of Psalms remains ready to train our ears steady our hearts and teach us to pray so that we might flourish in Christ The book includes a foreword by Elizabeth Robar **The Craftsman** ,1912 **The Body in Context** Gareth Moore,2005-02-11 In this highly readable book Gareth moore examines some of the principle arguments and styles of argument advanced by Christians particularly the Roman Catholic Church in support of Christian standards in sexual ethics Catholic teaching has sought to present those standards and values as ones which anyone can embrace ones which they should be able to see as right if only they think about them in the right way Arguments have been drawn from Scripture and also from philosophy and experience the latter being particularly important at a time when the Church can no longer lay down the law but has to be able to persuade But are these arguments valid or are they flawed Moore s study covers such wide ranging topics as sexual pleasure the purpose of sex sexual gestures marriage contraception and homosexuality and in these areas and the more specific sexual issues he covers he often finds the Church s case to be defective Though the Church has valuable things to say its supporting arguments can be unconvincing Better arguments he claims are needed or alternatively the possibility has to be faced that

the Churches teaching needs modification Whatever the case the Church needs to do more thinking about sex **Psalms**
