The Fourth Angel:

The Fourth Angel John Rechy, 2007-12-01 From the New York Times bestselling author of *City of Night* a powerful work that may very well be Rechy's best Kirkus Reviews Compelling and ferociously relevant *The Fourth Angel* is the story of four teenagers playing deadly games with drugs sex and one another Behind a facade of tough cynicism on a raging search for kicks they explore the hot dusty city bent on trouble There are three angels Shell Cob and Manny and their recruit Jerry who becomes the fourth Hovering in that uncertain limbo between childhood and adulthood the four angels maintain a precarious balance among themselves and with the outside world Each one is today's street kid still tinged with innocence and capable of beauty but at the same time full of rage and violence attempting to conceal an ugly past Praise for John Rechy Rechy shows great comic and tragic talent He is truly a gifted novelist Christopher Isherwood author and playwright His tone rings absolutely true is absolutely his own and he has the kind of discipline which allows him a rare and beautiful recklessness He tells the truth and tells it with such passion that we are forced to share in the life he conveys This is a most humbling and liberating achievement James Baldwin novelist playwright and activist Fresh beautiful totally courageous and totally cool passionate His uncompromising honesty as a gay writer has provoked as much fear as admiration John Rechy doesn't fit into categories He transcends them His individual vision is unique perfect loving and strong Carolyn See author of *Dreaming Hard Luck* and *Good Times in America* **The Fourth Angel** Rob Hunter, 1985 **The Our Race News-leaflet**, 1903

of Mankind and closes with The Reward of the Saints A Jewish Biblical Scholar Nativ brings a unique often startling perspective to the Book of Revelation Basing his theories in Hebraic concepts not doctrine or dogma Nativ takes the reader on an exciting step by step journey through the Hebrew texts the original language of the Bible and through painstaking analysis breathes new life into the words of the Old Testament prophets the apostles and Jesus Take for example the word Armageddon Long interpreted as the ultimate battle between good and evil Nativ uses his extensive Hebrew knowledge to show it is a place not a battle and introduces the ancient Hebrew concept of a place of refuge as proof Should Nativ be correct not only will he change the theology but dictionary definitions as well Equally startling is his discussion of Revelation Chapter Nine regarding the opening of the bottomless pit and the release of the awesome creatures within Nativ not only explains what they are their origins and their purpose but most surprising the creatures present location as they await the ending of the Age Perhaps most controversial of all is Nativ s answer to the long asked question regarding the identity of the Beast and the meaning of the number 666 Not only will the reader be dumbfounded by the simplicity of Nativ s answer but horrified by the proximity Nativ is not dogmatic He does not expect everyone to agree with his study s conclusions but instead challenges the reader to prove him biblically incorrect Neither prophet nor the recipient of a great revelation from God Nativ s only claim is the wisdom from God to unveil the meaning of the Book of Revelation in all its complexities
