The Summer Before:

The Summer Before Forever Melissa Chambers, 2016-08-22 Chloe Stone's life is a hot mess. Determined to stop being so freaking skittish, she packs up her quasi-famous best friend and heads to Florida. The goal: Complete the summer bucket list to end all bucket lists. The problem: Her hot soon-to-be stepbrother Landon Jacobs. Landon's mom will throttle him if he even looks at his future stepsister the wrong way. Problem is: Chloe is everything he didn't know he wanted and that's inconvenient. Watching her tear it up on a karaoke stage, stand up to his asshole friend, and rock her first string bikini destroys his sanity. But there's more than their future family on the line. Landon is hiding something, something he knows will change how she feels about him, and she's hiding something from him, too. And when the secrets come out, there's a good chance neither will look at the other the same way again. Each book in the *A Before Forever* series is a standalone story that can be enjoyed out of order. Series Order: Book 1 *The Summer Before Forever*, Book 2 *Falling for Forever*. **The Summer Before** Ann M. Martin, 2011 Kristy, Claudia, Mary Anne, Stacey. Discover how four girls become friends forever. Before there was *The Baby-sitters Club*, there were four girls named Kristy, Thomas, Mary Anne, Spier, Claudia, Kishi, and Stacey McGill. As they start the summer before seventh grade, also the summer before they start the BSC, each of them is on the cusp of a big change. Kristy is still hung up on hoping that her father will return to her family. Mary Anne has to prove to her father that she's no longer a little girl who needs to be subject to hundreds of rules. Claudia is navigating her first major crush on a boy. And Stacey is leaving her entire New York City life behind in order to find new friends in Stoneybrook, Connecticut. Whether you owned one or 132 of the 176 million copies of the original *Baby-sitters Club* series or if this is your first visit to Stoneybrook, *The Summer Before* is a sweet moving novel about four girls on the edge of something big, not just the Club that will change their lives but also all the joys and tribulations of being twelve and thirteen. [The Summer Before the War](#) Helen Simonson, 2016-03-22 NEW YORK TIMES BESTSELLER. A novel to cure your *Downton Abbey* withdrawal, a delightful story about nontraditional romantic relationships, class snobbery, and the everybody-knows-everybody complications of living in a small community. *The Washington Post*: The bestselling author of *Major Pettigrew's Last Stand* returns with a breathtaking novel of love on the eve of World War I that reaches far beyond the small English town in which it is set. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST AND NPR. East Sussex, 1914. It is the end of England's brief Edwardian summer, and everyone agrees that the weather has never been so beautiful. Hugh Grange, down from his medical studies, is visiting his Aunt Agatha, who lives with her husband in the small idyllic coastal town of Rye. Agatha's husband works in the Foreign Office, and she is certain he will ensure that the recent saber rattling over the Balkans won't come to anything. And Agatha has more immediate concerns: she has just risked her carefully built reputation by pushing for the appointment of a woman to replace the Latin master. When Beatrice Nash arrives with one trunk and several large crates of books, it is clear she is significantly more freethinking and attractive than anyone believes a Latin teacher should be. For

her part mourning the death of her beloved father who has left her penniless Beatrice simply wants to be left alone to pursue her teaching and writing But just as Beatrice comes alive to the beauty of the Sussex landscape and the colorful characters who populate Rye the perfect summer is about to end For despite Agatha s reassurances the unimaginable is coming Soon the limits of progress and the old ways will be tested as this small Sussex town and its inhabitants go to war Praise for *The Summer Before the War* What begins as a study of a small town society becomes a compelling account of war and its aftermath *Woman s Day* This witty character study of how a small English town reacts to the 1914 arrival of its first female teacher offers gentle humor wrapped in a hauntingly detailed story *Good Housekeeping* Perfect for readers in a post *Downton Abbey* slump The gently teasing banter between two kindred spirits edging slowly into love is as delicately crafted as a bone china teacup More than a high toned romantic reverie for Anglophiles though it serves the latter purpose too *The Seattle Times* [The Summer Before the Summer of Love](#) Marly A.
