Henry Donald Maurice Spence-Jones

The Surrendered Self:

This Dream Is Not for You Wade Joye, 2023-09-12 Christian speaker and Bible teacher Wade Joye pushes back against the dominant self help teaching of the day to follow your dreams and encourages us to let go and surrender our lives to God in order to truly live Follow your dreams is the self help message of our day In our schools and universities media and culture and even in church we are taught to dream big work hard and find true happiness in living our dreams And so we spend our lives chasing But as we chase our dreams we can be met with exhaustion anxiety and disappointment Our circumstances may put our dreams in jeopardy or even deny them and we re heartbroken Or we achieve them and just want more Wade Joye offers here a different way Release your grip on your dreams and trust God with your whole life Joye shows that by letting go we are freed from the pressure to secure some ideal unattainable life and instead become open to God and his plans Living a life of daily surrender to God s purpose we begin to see glimpses of God in our present circumstance as he shows us that he more than anyone can be trusted With deep wisdom frank teaching and a pastor s heart Wade guides readers step by step to the place of letting go the place where we find real life

The Art of Surrender Robin Wagner-Pacifici, 2005-10 Explores the ritual concessions as acts of warfare performances of submission demonstrations of power and representations of shifting unstable worlds The author considers the limits of sovereignty at conflict s end showing how the ways we concede loss can be as important as the ways we claim victory
