A Noob's Guide to Minecraft Survival Independently Published, Noob 1884, 2019-10-24 Full colour version Unfortunately that means that we also have to introduce colour printing prices since the cost is a lot higher A Guide to playing Minecraft Survival in single player or multiplayer from easy to hard difficulty on friendly or competitive worlds and realms in Minecraft Bedrock Edition May be used as an essential guide for players of any age including parents that want to help their children understand how to play the survival mode of the game or set up realms New in 2019 Streams to supplement book content not brilliant quality since I'm learning this now but at least you'll have more confidence in buying the book and applying the strategies this way at https://www.youtube.com/channel/UCjCA8tu_qJhLbOYold4qOIw or search noob 1884 Discord room for book discussion a chance to hangout with some of the players and notification of new streams by the community Slight corrections and updates 18th June 2019 on New villager mechanics and map hiding 24th October Foxes bees and suspicious stew Existing ebook owners should see these changes when they open the book Minecraft has changed a lot over the last year and more people are trying out the survival version for a challenge Some are even using it as a battleground Griefters roam the lands and the community has evolved to allow them an existence the PvP and anarchy realms where anything goes except cheating of course Learn secrets and strategies that will make you better than the average player and an advisor to some of the better players Assumes some very basic knowledge of the game 84 pages varies by device including 20 pages of screenshots from actual gameplay to show strategy and features in action Learn how to set up safe realms and spot people abusing your hospitality on public realms Covers latest game content including the recent village and pillage update Please note that commentary on new features may not be 100% accurate but I do test them in the streams but the basic strategy for survival remains sound and is updated as necessary Also includes pointers to valuable information sources that will fill out your knowledge to make you an all round player Age 8-50yrs This book should be used as

an essential strategy guide and roadmap for playing Survival Mode It does NOT replace the comprehensive guides produced by Mojang themselves it compliments them For example this book may refer to using a particular tool but not go into much depth on it therefore Mojang s set of ebooks should be part of your reference collection About Minecraft BedrockBedrock Edition covers Android VR Xbox Windows IOS Nintendo Switch and Kindle and allows players from any of those platforms amongst others to play together in the same Minecraft game using a feature called crossplay Crossplay in Minecraft is seamless You wouldn t know that someone was using a different type of device unless they told you PlayStation and Java Edition versions of Minecraft will operate slightly different to Bedrock so it is important to check with the sites and sources that are mentioned to adapt your gameplay to make sure things work as you want them to if you do use this book on those platforms
