## To Let:

**MEDITATION: LEARNING TO LET GO** Dr. George Akinkuoye, 2024-04-18 Learn how to break free from the chains of the past which is holding you back Try exercises that will help you achieve your goals of letting go Know how baggage can hold you back physically emotionally mentally and spiritually Experience the weightlessness of freedom Learn how to move from Limitation to Limitlessness See how the tangled web of emotions weave themselves into the fabric of your being unconsciously Learning to Let go Kurt McNary, 2026-02-15 Your mind was meant to protect you not exhaust you If you re constantly replaying conversations anticipating worst case scenarios or questioning every decision you make you re not broken You re stuck in a loop And loops can be broken Learning to Let Go is your guide to stepping out of anxiety spirals silencing relentless self doubt and building a steady sense of inner peace that doesn t disappear the moment life gets unpredictable This book is for the overthinker For the perfectionist For the person who carries yesterday s mistakes into today s decisions For the one who feels responsible for everything and rests rarely You don t need to control every outcome to feel secure You don t need to solve every problem before it happens You don t need to punish yourself into becoming better Inside these pages you ll learn how to Break free from mental rumination and repetitive worry cycles Calm your nervous system when your thoughts start racing Separate feelings from facts so emotions stop running your life Reframe harsh self talk into grounded self leadership Release resentment and emotional baggage without losing your strength Let go of perfection pressure while still striving for excellence Build a personal calm practice you can rely on daily Grounded in psychological insight and practical exercises this book doesn t offer unrealistic promises or empty motivation It gives you tools you can use immediately whether you re lying awake at night stuck in self criticism after a mistake or feeling overwhelmed by uncertainty You ll discover how to identify what you can control what you can influence and what you must release You ll learn how your brain confuses discomfort with danger and how to retrain it You ll practice self distancing techniques that create space between you and your thoughts You ll understand why urgency feels addictive and how to slow it down Most importantly you ll begin to trust yourself Emotional freedom doesn t mean you ll never feel anxious or disappointed again It means those feelings no longer dictate your identity or decisions It means your mind becomes a place of clarity rather than chaos You have a choice in how you respond to your thoughts You have a choice in how tightly you hold onto the past You have a choice in whether fear runs the show Learning to let go isn t about giving up It s about freeing yourself from what no longer serves you so you can finally move forward with confidence calm and trust **Stores circular**
