Growing Spiritual Grit for Teenagers Mikal Keefer, 2018-10-02 By Mikal Keefer Strength for the Tough Stuff Life's full of tough stuff Maybe you're even going through some hard things right now That's completely normal but not exactly fun right To get through these hard things you need grit Grit is the determination to stick it out when challenges and obstacles come your way Grit doesn't always come easily or naturally instead you practice it until your strength and resilience grow This devotion will help you practice It focuses on one person who's really good at making you stronger Jesus And then it shares his techniques for building grit in your life Through short prayer ideas Bible notes questions for you to think about and things to try you can begin growing your grit starting now **How to Believe in Answered Prayers, Growing Deeper Spiritual Roots** Georgie Anna Holbrook, 2019-02-01 Intentionally create a Prayer Life that attracts what you desire and learn how to stop doubting that your blessings are coming Receive step by step instructions on how to grow deeper spiritual roots by inviting angels blessing your spaces creating a prayer box living a peace filled life and finding your passion As a bonus Georgie shares her personal story including a bedside visit from Jesus while she was in the hospital During His visit Georgie experienced a miraculous healing that baffled the doctors Georgie encourages you to live a peace filled life give others your overflow of self love embrace yourself daily for being a blessing in this world and practice the prayer examples in this book until you truly know How to Believe in Answered Prayers Georgie has learned that there are more angels on earth than there are people They are always with us waiting to be asked for their wisdom and help This book will teach you how to connect with them God isn't confused but sometimes we are and so we need guidance We are called to learn a lot from nature Imagine sitting on a river bank overlooking a river See how it flows in one direction Imagine that your life training has taught

you to go against the natural current to go upstream give to others when you're depleted and pretend you are happy and spiritual when that's not how you truly feel. Over time you may start to feel like your spirit is becoming emptier and joyless. While we struggle against the current, the river of our soul is patiently waiting for us to seek nature's way: live our inherent passion, let life be easy, and attract our good to us. As a society, we have been taught to question when we experience pain, trauma, or grief. We might ask questions like, "Where is God or my Higher Source in my time of need? Why do bad things happen to good people? Why can't my body heal? Why can't my lifestyle improve? Or, 'If I was born with a purpose and passion, why is it so hard for me to find it?' In this book, these questions and many more are answered by seeing your life from a higher, more pure perspective. By doing away with all shame, doubt, and feelings of being violated, you can learn how to move out of self-damaging beliefs and into becoming your true self. You will learn how to start treating your body, mind, and spirit as though they are your best friends so that you can connect with Divine Intelligence. You were born with a readily available Intelligence that beats your heart and digests your food; it's what keeps you alive. You will also discover how to use your intuition as your internal guidance system. If you've ever had a gut feeling about something, then you've already experienced your intuition trying to communicate with you. This intuition is real and needs to be acknowledged. Each chapter of this book will give you detailed instructions on how to help deepen your spiritual life. May you embrace your true self with great curiosity for the mystery and mastery that lies within you.

Georgie Anna Holbrook is an internationally recognized Blessing Creator; she interprets the emotions behind health issues along with being a personal and professional guide. She is a gifted intuitive whose motto is "I pray up, show up, and then listen up to how I can guide you into a life you love."

**ASPIRE TO GROW WORKBOOK** Wuan D. Miller, 2020-12-15. Are you struggling to live a mature Christian life? You don't have to. All you need is a step in the right direction. What step? Intentionality. Why intentionality? While spiritual growth should be the goal of daily Christian living, it is not automatic. Unless the believer is intentional, what one learns from reading the Bible will never manifest on its own. The Lord can inspire one to action, yet it is up to the believer to ASPIRE or move toward the call of the Lord. The greater the aspiration, the greater the spiritual growth. The question is, how does one get started? ASPIRE to Grow is a deep dive into biblical disciplines that can transform any life into the one God has intended. In this work, Wuan D. Miller shows Christians how spiritual growth is possible through a modern treatment of nine timeless biblical practices: Connect to Draw, Consecrate to Align, Commit to Launch, Share to Grow, Serve to Receive, Sow to Send, Rest to Rejuvenate, Reflect to Reposition, Renew to Enrich. Drawing from the model of Jesus' devotional scriptures, ideas for daily application, and questions to ponder, Miller unpacks the richness of these disciplines in the Word of God in a way that is relevant for today while systematically condensing them into a simple 3-pillar model for living it out: Worship, Witness, Withdraw. The ASPIRE to Grow Workbook is the perfect complement to the book. It uses the wisdom, insight, and strategies learned in the book to help the reader craft an ideal spiritual growth plan using The ASPIRE Spiritual Growth Assessment, The ASPIRE Reading Calendar,

Heird,Steven B. Heird, MD, FACS,2015-01-13 Here in this raw account of one doctor s journey to Hell and back is the prescription that could save the life of someone you love Addiction can affect anyone of any occupation education or social class The most common denominator among all addicts though is that they once thought it could never happen to them As Head of the Department of Vascular Surgery at a large community hospital Dr Steve Heird was well aware of all this Yet even as he wrote one illegal prescription

after another all for himself he refused to believe he had a problem He was in control It could never happen to him But the day came when tired of playing a game of cat and mouse with the DEA and finally ready to accept help with his problem Steve had to face his family and go into rehab Everything that mattered to him his family his career his lifestyle was on the line and he risked losing it all to serve a ten year prison sentence That was one of the worst days of my life he now says I had hurt the people I loved most I felt overwhelmed with shame and self loathing How could I have screwed up so badly But there s a silver lining to the cloud that followed Dr Heird all those years His personal healing has led to the creation of a system of strategies for recognizing the warning signs whether in yourself or others and overcoming any addictions along with the fear and self doubt that feed them In this entertaining and inspiring true life account and through his Prescriptions For Awareness healing program Dr Heird proves beyond a doubt that NOBODY is entirely above the reach of addiction and no addict need ever feel doomed to remain forever within its grasp *Self-culture; Physical, Intellectual, Moral and Spiritual*
