

If you love somebody,
let them go, for if they
return, they were always
yours. And if they don't,
they never were.

To Love And To Let Go:

The Path to Love Deepak Chopra, M.D., 2007-12-18 NEW YORK TIMES BESTSELLER A remarkable fusion of Eastern wisdom and Western practicality that offers strategies for clearing away the obstacles to love your life for restoring the boundless soul of love and for finding romance that will last a lifetime Drawing on the Vedic texts of India and other great wisdom traditions Dr Deepak Chopra describes the seven stages of love beginning and culminating in ecstasy At each stage we hear stories like those of Clare who only falls in love with unattainable men of Frankie and Della whose eight year old marriage has become a battleground of distrust and of Gail and Jarrett who near retirement without understanding how they will fit together into their new lives As we see these couples overcome their obstacles and as we work through a series of specific exercises we anchor these lessons in our own experience We all know the only way to enjoy the ecstasy of true romance for a lifetime is first to discover love within ourselves but this task has often proved too difficult Until now In **The Path to Love** you will find an astonishing blueprint to the uncharted territory of your own heart First Dr Chopra orients us with timeless wisdom and contemporary real life examples then guides us step by step on the path to love And once we discover the love inside ourselves we start to see it everywhere in lovers husbands wives mothers fathers brothers sisters friends until our own lives become self sustaining acts of passion romantic and fulling and miraculous **It's So Hard to Love You** Bill Klatte, Kate Thompson, 2007 Discusses how to live with difficult persons *Hana's Journey to Love* Azor J. Racine, 2014-03-05 *Hanas Journey to Love Part 1 The Letters I Love You* What does it take for anyone to be happy More importantly what is real happiness For Hanasha having her husband and children with her is everything even if she has many secrets She thinks that if she smiles her husband is content enough to not question her however for James his little wife needs to do a lot better if she thinks she is going to run away from him More so if his children are going to increase James needs to unveil all his wifes secrets in time or risk losing her and his yet unknown child **Love** Elizabeth Von Arnim, 1925
