To Win The Hearts

Chris Rose

To Win The Hearts:

Military Medicine to Win Hearts and Minds Robert J. Wilensky, 2004 Most important there is no evidence that the good will built by U S doctors transferred to the South Vietnamese forces and in fact the opposite may have been true American programs may have emphasized the inability of the South Vietnamese government to provide basic health care to its own people Furthermore the programs may have demonstrated to Vietnamese civilians that foreign soldiers cared more for them than their own troops did If that is the case the programs actually did more harm than good in the attempt to win hearts and minds

BOOK JACKET *How to Win Campaigns* Chris Rose, 2012-08-21 Written for the new campaigner and the experienced communicator alike this is a comprehensive and systematic exploration of what works in campaigning and a practical how to guide for using principles and strategy in campaigning as a new form of public politics Applicable to any issue and from any point of view the book s 100 key steps and tools provide models of motivation analysis and communication structure Content includes how to begin a campaign motivating people research and development issue mapping planning using the campaign planning star organizing communications including visual language constructing campaign propositions insight into news media how to keep a campaign going how to use old and new media and what to do and what not to do The final chapter reviews the bigger picture examining how campaigns became a form of politics It also provides new research material on how issues mature and become norms and the consequent problems for campaigning
