## **Understanding The Gospels:**

Understanding the Gospels Vicente Balaguer,2010-01-01 The last two hundred years show the emergence of an enormous growth industry in the field of Biblical analysis particularly on the evidence presented in the Gospel accounts of the life of Jesus Christ But most often the exhaustive analysis brought to bear on the Gospels is dominated by a biased point of view against their authenticity Authors who have taken the position of liberal criticism claim that the Gospels do not show the true Jesus but one who has been idealized and mythologized by his followers Written by faculty from the University of Navarre this book takes the approach of a careful study of the texts and their surrounding circumstances to show that the Gospels are both a reflection of the Apostles preaching about Jesus as well as trustworthy historical testimonies to his life and work

Understanding The Gospels John Kenny,2025-06-27 As Jesus Christ is above every other man so the Bible is above every other book Charles Dickens said The New Testament is the very best book that ever was written or ever will be known in the world Its immense universal and lasting popularity is because of its power to change people s lives Hundreds of millions of people can testify to how the Bible has changed their lives Without the Gospels the rest of the New Testament would be like a

lock without a key a building without a foundation an end without a beginning As the Gospels came out of the Old Testament so the Epistles came out of the Gospels In this book I give a brief biography of the four Gospel writers Matthew Mark Luke and John as well as some key characters such as Peter and John the Baptist Although these men shone as stars in a dark world they all faded away when the Sun of Righteousness Jesus Christ came We will look at the amazing life of Jesus Christ his teaching miracles death burial resurrection and ascension to heaven We will also look at the background and setting in which he lived and the significance of some of the events that were foretold hundreds and thousands of years before his birth in Bethlehem
