**Kabbalah for Beginners** Brian Yosef Schachter-Brooks, 2020-07-28 Gain a better understanding of the Kabbalah path to spiritual transformation and a deeper connection with the Jewish faith Coming from the Hebrew root that means to receive Kabbalah is known as the inner or esoteric dimension of Judaism Kabbalah for Beginners is your introduction to a great spiritual tradition that will help you deepen your experience of the Divine through Kabbalistic portals into the Eternal Present Divided into four categories theosophical ecstatic Hasidic and contemporary this book explores everything including ancient concepts core teachings practices and traditions and even misconceptions of Kabbalah Written in a contemporary tone and point of view this beginner s guide brings this ancient discipline into the here and now In Kabbalah for Beginners you ll find God is existence The Kabbalist method is that God is not a being not even the most supreme being but is rather Being itself What is Kabbalah Get inspired by interspersed quotes from the Torah and frequent sidebars that highlight the Kabbalah s relevance to readers experiences Spirituality simplified Learn through a clear straightforward language to bring intuitiveness

to deep philosophical concepts Discover a contemporary guide to this ancient wisdom and move toward spiritual transformation *Seize the Moment-Beshert* Abraham N. Fenster, Ph.D.,2009-04-06 Seizing the moment at the attosecond of time is when it is meant to be The author relates to how scientific theories can be integrated into an overarching explanation of how the macro workings of the infinite universe are intertwined with the micro activities of an individual s activities in the physical world and how this can be blended with the unseen world of spirituality of the universe as coexisting parallel intertwined worlds Science and spirituality are not in opposition to one another but complement each other and provide a more revealing explanation to our fundamental questions of is it meant to be or is it meant to be Beshert In the process of trying to determine the complex concepts implied by meant to be the author explores how one can have a predetermined existence and make free will decisions at the same time Detailing some of the author s own Beshert life experiences he ultimately concludes that one must recognize the spirituality teachings of Kabbalah and current scientific hypothesis of the Unified Theory to understand this complex question of how does free will have a role in predetermination

*A Seeker's Journey into Sacred Time and Space* David Trimble,2025-02-11 How do we find hope in the world when hatred injustice war and climate change threaten our very survival The author s journey as a social justice activist and spiritual seeker offers inspiration for readers to build their own practices of hope The author challenges the spiritual poverty of materialist individualism which threatens all life on the planet by the actions of its dominant species A vision of transforming global culture emerges from the memoir s stories of love loss yearning and redemption Activism and spiritual search converge in the vision of a culture grounded in the universality of human spirituality a vision that does not descend into religious particularism The author encourages readers to build alliances across differences to bring forth our common fundamental spiritual legacy of love justice gratitude and awe
