Understanding Your Divine Nature:

Understanding Your Divine Nature Grant Von Harrison, 1985-01-01 *Understanding Your Divine Nature* Kunle Prosper, 2020-05-12 Everyone born of God is ordained to be a partaker of the divine nature This is the nature implanted to mankind as God breathed into him the breath of life during creation This nature is the reason why men have successfully walked like gods on the earth despite the devil It is the reason why men like Shadrach Meshach and Abednego walked through a burning fiery furnace without any scratch It is the reason why Daniel spent a night in the midst of super hungry lions without fallen a prey It is also the reason why the Lord Jesus touched a man full of leprosy and instead of contracting the disease the man contacted healing virtue and was made whole What about Paul who got bitten by one of the most commonly adjudged poisonous snakes in the world and felt no hurt without saying any word of prayer These all proved that the divine nature is not a myth but an important reality of the kingdom of God However no one can enjoy this nature until a good understanding of it is possessed It is the lack of understanding of this that has made many believers victims of sickness disease and different epidemics Your divine nature more than anything made it impossible for you to be a victim of whatever epidemics ravaging your world You are only permitted to see it with your eyes but it is impossible for you to be a victim Understanding Your Divine Nature is written therefore to open your eyes to the knowledge of this nature of God in your being Through this book you will discover why you a God over sickness disease failure and all power of the devil You will realize why you can walk through fire and lions of this world and yet come out untouched You will also discover why no raging pandemic can hurt even a hair from your head This is no doubt the book that will catapult your Christian adventure beyond your wildest imagination
