What Spock Not T P:

Triangle Myrna Culbreath, Sondra Marshak, 2000-09-22 An unimaginable conflict could cost Kirk's soul or Spock's life. A dark plan has been unleashed in the galaxy, a design so vast only a collective and ruthless mind like the Totality could have conceived it. Now Captain Kirk must battle the seductive force of the Totality's will. It was reasonable that Captain Kirk and Federation Free Agent Sola Than would fall in love. But no reasoning in the universe could have foreseen the tragedy of Spock's own passion for the same woman. Now this unimaginable conflict could cost Captain Kirk his very soul and bring death to the proud Vulcan. But in the unimaginable lies their only chance and the freedom of the galaxy depends on the outcome of the Triangle.

The Entropy Effect Vonda N. McIntyre, 1990-04-15 A brilliant physicist and dangerous criminal Dr. George Mordreaux escapes while on board the Enterprise and kills Captain Kirk.

Triangle Sondra Marshak, Myrna Culbreath, 1991-09 It was reasonable that Captain Kirk and Federation Free Agent Sola would fall in love but no reasoning in the universe could have foreseen the tragedy of Spock's own passion for the same woman.

New York Magazine, 1989-11-20 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea.

Exploring Picard's Galaxy Peter W. Lee, 2018-02-13 Serving as the sequel to Gene Roddenberry's original television series Star Trek: The Next Generation, the show pushed the boundaries of the final frontier. At the same time the show continued the franchise's celebrated exploration of the human experience, reflecting current social and political events. ST:TNG became immensely successful, spawning four feature films and several television spin-offs. This collection of new essays explores both the series characters and its themes. Topics include the Federation's philosophy concerning technocracy, sexuality and biopolitics, foreign policy shifts in the Prime Directive, key characters including Jean-Luc Picard, Deanna Troi, Tasha Yar, and Klingon martial arts, music, and history.

Star Trek: Signature Edition: Duty, Honor, Redemption Vonda N. McIntyre, 2004-10-26 The Star Trek Signature Edition series continues with this thrilling adventure featuring Commander Spock, Captain Kirk, and the USS Enterprise. Cadets that enter Starfleet Academy have two mantras drilled into them from their very first day: They must do their duty for the Federation and Starfleet, and they must strive to honor their oath as Starfleet officers. Among those who have best embodied these guiding principles and who have strived to live up to the coda to boldly go are those who once served aboard the Starship Enterprise under the command of Captain James T. Kirk. Who then was better to guide the next generation of officers? After Kirk became an admiral, the officers of the Enterprise were promoted and several became Academy instructors. Transformed from a ship of the line to a training vessel, the Enterprise's days of active duty are behind her until a frantic message from a distant outpost interrupts a training exercise and pulls the

ship back into action Admiral Kirk is forced to take command of the Enterprise in order to stop an old nemesis from commandeering what could be the most deadly weapon ever devised In the course of his actions the crew will find itself facing death and life as they deliberately violate their Starfleet oaths travel through time to save Earth and ultimately earn redemption in the eyes of the Federation Now for the first time ever in one volume here are the novelizations of three Star Trek films Star Trek II The Wrath of Khan Star Trek III The Search for Spock and Star Trek IV The Voyage Home all by award winning author Vonda McIntyre

Star Trek: Signature Edition: Worlds in Collision Judith Reeves-Stevens, 2003-11-04

The Star Trek Signature Edition series continues with this thrilling adventure featuring Commander Spock Captain Kirk and the U S S Enterprise Of all the experiences shared by Captain Kirk and the crew of the Starship Enterprise during their first five year mission two were among the most perilous a journey to the nonphysical realm of Transition where the massive computer known as Memory Prime was situated and the nightmarish mission to Talin IV a world poised on the brink of destruction that Kirk was forbidden to save In the twenty third century a hundred years before a sentient artificial life form would be allowed to earn a Starfleet commission the Federation considers the use of self aware artificial intelligences to be little more than slavery except for the immense computer system of Memory Prime the key hub in the Federation s vast network of interstellar library planets There the A I s known as Pathfinders inhabit Transition a virtual world so different from our universe that the A I s themselves debate whether or not the physical universe is real But when an ancient enemy reaches out from the shadows of Vulcan s darkest history and threatens to destroy the Federation Spock must risk his career and his life to enter the Pathfinders realm Technologically and politically Talin IV is little different from late twentieth century Earth But as a series of mysterious events pushes that world closer to self annihilation the Prime Directive prevents Captain Kirk and his crew from doing anything to prevent it When the worst appears to happen and Kirk takes desperate action to give the Talin a chance to step back from the nuclear abyss Talin IV is consumed by radioactive fire Now with a world destroyed and the Enterprise dead in space the careers of Kirk and his crew are over Disgraced and despised Kirk has only one chance to redeem himself and his crew Somehow he must make his way back to Talin IV and discover what really happened even if it means proving that a world died because he broke Starfleet s most sacred law
