The Cryb

Katherine Nelson

The Cryb:

The Cry of Jesus on the Cross Gerard Rosse, 2003-11-20 The cry of Jesus on the cross described in the gospels of Mark and Matthew was a wail of pain and abandonment Many Christians have been scandalized by it On one hand it is an expression of the humanity of Jesus while at the same time it links him with his Jewish heritage and the rich imagery of the psalms Italian theologian Gerard Rosse has examined the many meanings of Jesus cry He first considers the historical question whether these were truly the words of Jesus If we assume that they are what do the words mean Was it merely a cry of despair or does it reveal something of the relationship between Jesus and the One called Abba Theologically what light does it cast on the inner life of the Trinity Rosse also considers the reality of abandonment in the world today and what the outcry of Jesus reveals about our solidarity with all abandoned people
