Walsh, 2012-02-29 A R Ammons was asked if he agreed that the United States has not produced a major poet in the last 30 years I agree The poetry in the country has become sort of a company affair where support for the arts has just about ruined the arts and the system of bureaucrats managing the funds being developed here and there is turning into trade unionism which may be the best way to write poetry but it is unfamiliar to me This comprehensive collection contains 31 interviews in which Southern writers talk about their craft the Southern literary scene and themselves Poets short story writers and novelists include firmly established writers side by side with emerging talent Lee Smith James Dickey Harry Crews Pat Conroy Doris Bett Pulitzer Prize winner Donald Justice and 25 others

Reading, Learning,

Teaching Clyde Edgerton Yvonne Mason, 2009 This is an introduction to the literature of contemporary American writer Clyde Edgerton A North Carolina native Edgerton has been compared to Mark Twain for his easy humorous style which is based in oral tradition Like Twain and other humorous writers Edgerton s work often contains both biting satire and exploration of very large questions about the human condition The book contains an overview of each of his novels and his memoir in addition to offering critical commentary on theme craft and structure Pedagogical support is offered with specific strategies that will encourage authentic engagement and learning Teachers will find specific companion pieces of literature for introducing Edgerton s vivid and challenging work This book presents the case for including more of Clyde Edgerton s work in our secondary and college English language arts classrooms as a means of revitalizing curricula and challenging the ways we traditionally think about teaching
