The Sunborn:

The Sunborn Gregory Benford, 2005 The first manned mission to Mars has been a resounding success and excitement grows as more new discoveries are made However one discovery continues to defy rational explanation the marsmat a complex anaerobic life form found in the planet s honeycomb of tunnels This raises questions about the nature and meaning of life itself which will lead the curious and the driven to Pluto and beyond to the cold void at the fringes of the solar system

The Anvil of the World Kage Baker, 2010-04-01 Kage Baker s stories and novels of the mysterious organization that controls time travel The Company have made her famous in SF So has her talent for clever dialogue and pointed social commentary with a light touch Ms Baker is the best thing to happen to modern science fiction since Connie Willis or Dan Simmons She mixes adventure history and societal concerns in just the right amount creating an action packed but thoughtful read says The Dallas Morning News *The Anvil of the World* is her first fantasy novel a journey across a landscape filled with bizarre creatures human and otherwise It is the tale of Smith of the large extended family of Smiths of the Children of the Sun They are a race given to blood feuds and Smith was formerly an extremely successful assassin Now he has wearied of his work and is trying to retire in another country to live an honest life in obscurity in spite of all those who have sworn to kill him His problems begin when he agrees to be the master of a caravan from the inland city of Troon to the seaside city of Salesh The caravan is dogged by murder magic and the brooding image of the Master of the Mountain a powerful demon looking down from his mountain kingdom upon the greenlands and the travelers passing below In Salesh Smith becomes an innkeeper but on the journey he befriended the young Lord Ermenwyr a decadent demonic half breed Each time Ermenwyr turns up he brings new trouble with him The outgrowth of stories Baker has been writing since childhood as engaging as Tolkien and yet nothing like him Smith s adventure is certainly the only fantasy on record with a white uniformed nurse gourmet cuisine one hundred and forty four glass butterflies and a steamboat This is a book filled with intrigue romance sudden violence and moments of emotional impact a cast of charming characters and echoes of the fantasy tradition that runs from Lord Dunsany and Fritz Leiber to Jack Vance and Roger Zelazny At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied [The Craftsman](#) ,1911 An illustrated monthly
