Traitors Embrace:

Disability, Intersectional Agency, and Latinx Identity Alexis Padilla, 2021-07-28 This interdisciplinary volume links disability and agency by exploring LatDisCrit's theory and activist emancipatory practice. It uses the author's experiential and analytical views as a blind brown Latinx engaged scholar and activist from the global south living and struggling in the highly racialized global north context of the United States. LatDisCrit integrates critically LatCrit and DisCrit which look at the interplay of race, ethnicity, diasporic cultures, historical sociopolitics, and disability within multiple Latinx identities in mostly global north contexts while incorporating global south epistemologies. Using intersectional analysis of key concepts through critical counterstories following critical race theory methodological traditions and engaging possible decoloniality treatments of material precarity and agency, this book emphasizes intersectionality's complex underpinnings within and beyond Latinidad. Through a careful interplay of disability, identity, and disability rights empowerment, the volume opens avenues for intersectional solidarity and spaces for radical transformational learning. This book will be of interest to all scholars and students working in disability studies, intersectional disability justice, activists, critical Latinx/Chicanx studies, critical geographies, intersectional political philosophy, and political and public sociology.

Family in Flavian Epic Nikoletta Maniotti, 2016-08-01 *Family in Flavian Epic* examines the treatment of family bonds in Valerius Flaccus' *Argonautica*, Statius' *Thebaid* and *Achilleid*, and Silius Italicus' *Punica*. The eleven contributions consider the representation of epic parents, children, siblings, and spouses and their interaction with each other, demonstrating the Flavian poets' engagement with their epic and more generally literary tradition. At the same time, Roman attitudes towards the family and Flavian concerns, especially related to dynastic harmony and civil war, also characterise both historical and mythological members of Flavian epic families.

Traitor: Star Wars Legends Matthew Stover, 2011-06-28 From the depths of catastrophe a glimmer of hope. After the capture of Coruscant, the mighty heart of the New Republic, a stunned galaxy fears that nothing can stop the Yuuzhan Vong. Still, that crushing defeat produces one small miracle: Jacen Solo is alive. Yet he can scarcely imagine himself in stranger circumstances. The young Jedi Knight is in the care of Vergere, a fascinating creature of mystery and power, her intentions hard to fathom, her cruelties rarely concealed. But this master of inscrutable arts has much to teach the young Jedi, for she holds the key to a new way to experience the Force, to take it to another level, dangerous, dazzling, perhaps deadly. In the wrong hands, the tremendous energies of the Force can be devastating. And there are others watching Jacen's process, closely, waiting patiently for the moment when he will be ready for their own dire purposes. Now all is in shadows. Yet whatever happens, whether Jacen's newfound mastery unleashes light or darkness, he will never be the same Jedi again. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years.

After 69 CE - Writing Civil War in Flavian Rome Lauren Donovan Ginsberg, Darcy Anne Krasne, 2018-12-17 The fall of Nero and the civil wars of 69 CE ushered in an era

scarred by the recent conflicts Flavian literature also inherited a rich tradition of narrating nefas from its predecessors who had confronted and commemorated the traumas of Pharsalus and Actium Despite the present surge of scholarly interest in both Flavian literary studies and Roman civil war literature however the Flavian contribution to Rome s literature of bellum ciuile remains understudied This volume shines a spotlight on these neglected voices In the wake of 69 CE writing civil war became an inescapable project for Flavian Rome from Statius s fraternal acies and Silius s suicidal Saguntines to the internecine narratives detailed in Josephus s Bellum Iudaicum and woven into Frontinus s exempla Flavian authors preoccupation with civil war transcends genre and subject matter This book provides an important new chapter in the study of Roman civil war literature by investigating the multi faceted Flavian response to this persistent and prominent theme
