Faber, Pedro García-Caro, Robert
Patrick Newcomb**

Transatlantic Studies:

Transatlantic Studies Heidi Slettedahl Macpherson, Will Kaufman, 2000-10-11 Although our age has become host to a number of academic disciplines called area studies including for example African Studies and American Studies these divisions do not capture the truly unique relationship of the lands joined by the Atlantic Ocean Accordingly a new area called Transatlantic Studies has emerged This seminal work attempts to define clearly the term Transatlantic Studies locate Transatlantic studies academically supply the field's critical perspective discuss issues of globalization migration and the law The collection is appropriately international and inter disciplinary

Transatlantic Studies Cecilia Enjuto-Rangel, Sebastiaan Faber, Pedro García-Caro, Robert Patrick Newcomb, 2019-11-19 This book emerges from and performs an ongoing debate about transatlantic approaches in the fields of Iberian Latin American African and Luso Brazilian studies In thirty five short essays leading scholars reframe the intertwined cultural histories of the transnational spaces encompassed by the former Spanish and Portuguese empires

Transatlantic Literary Studies, 1660-1830 Eve Tavor Bannet, Susan Manning, 2014-08-21 The recently developed field of transatlantic literary studies has encouraged scholars to move beyond national literatures towards an examination of communications between Britain and the Americas The true extent and importance of these material and literary exchanges is only just beginning to be discovered This collection of original essays explores the transatlantic literary imagination during the key period from 1660 to 1830 from the colonization of the Americas to the formative decades following political separation between the nations Contributions from leading scholars from both sides of the Atlantic bring a variety of approaches and methods to bear on both familiar and undiscovered texts Revealing how literary genres were borrowed and readapted to a different context the volume offers an index of the larger literary influences going backwards and forwards across the ocean

The TransAtlantic reconsidered Charlotte A. Lerg, Susanne Lachenicht, Michael Kimmage, 2018-10-05 Is the Atlantic World in a state of crisis At a time when many political observers perceive indeed a crisis in transatlantic relations critical evaluation of past narratives and frameworks in Transatlantic Relations and Atlantic History alike become crucial This volume provides an academic foundation to critically assess the Atlantic World and to rethink transatlantic relations in a transnational and global perspective The TransAtlantic reconsidered brings together leading experts such as Harvard historians Charles S Maier and Bernard Bailyn and former ERC scientific board member Nicholas Canny All the scholars represented in this volume have helped to shape re shape and challenge the narrative s of the Atlantic World and can thus re evaluate its conceptual basis in view of historiographical developments and contemporary challenges

Teaching the Transatlantic Eighteenth Century Jennifer Frangos, Cristobal Silva, 2020-05-15 The central axiom of Teaching the Transatlantic Eighteenth Century is that the classroom functions as a site for research and collaboration not only as a space that reflects the research of individual teacher scholars but as a generative site to put ideas theories and methodologies into play Whereas transatlanticism has transformed research

practices over the last decade the present collection is concerned with exploring what this transformation looks like in the classroom and how the classroom continues to shape research practices in the field Contributors address issues such as how the traffic in ideas people and commodities between Europe Africa and the New World are considered in classroom settings how inter and intra departmental collaborations reshape our approaches to teaching the eighteenth century how and why Transatlantic Studies can function as an introduction to college study and how it can help more advanced students to revise their notions of nation place and identity By now there are a number of anthologies available to help instructors determine what transatlantic material to teach but none that engage why and how to teach it or what teaching it can do for us our students and our profession Rather than simply providing reading lists or a collection of anecdotes about lesson plans Teaching the Transatlantic Eighteenth Century emphasizes theorizing critical engagements with interdisciplinary focus on and the transformative potential of Transatlantic Studies The primary market for Teaching the Transatlantic Eighteenth Century is university college and community college professors researchers and students with three specific subgroups 1 Teachers new to Transatlantic Studies Teachers coming to Transatlantic Studies for the first time will find both suggestions for materials or topical units to be integrated into existing courses e g a unit on transatlantic exchange that could figure in an eighteenth century literature survey course and ideas for developing new courses altogether 2 Teachers already teaching and or researching in the field of Transatlantic Studies Such scholars will find material to broaden their approach to familiar courses and subjects inter or cross disciplinary focus new texts successful clusterings of texts or themes or approaches and ideas for team teaching or linking courses with other faculty 3 Teachers involved in Transatlantic Studies programs especially those that focus on contemporary Post WWII context e g at the University of Dundee the University of North Carolina Chapel Hill and the University of Birmingham Teaching the Transatlantic Eighteenth Century will provide historical context for current geopolitical studies perspective on the dynamics and historical and political forces occurring in the eighteenth century and contributing to 19th 20th and 21st century politics nations and paradigms

New Perspectives in Transatlantic Studies Heidi Slettedahl Macpherson, Will Kaufman, 2002-02-07 In the first edition of Transatlantic Studies Heidi Slettedahl Macpherson and Will Kaufman argued that a new field of studies was emerging from the separate fields of insular area studies such as American Studies European Studies and African Studies Now that Transatlantic Studies is a recognized area of inquiry in its own right Macpherson and Kaufman extend their analysis of it New Perspectives in Transatlantic Studies aims to extend the definition of Transatlantic Studies and explore the implications of such a definition by supplying a critical perspective which links the diverse constituents of this interdisciplinary field Therefore it engages with issues of the contact zone in relation to globalization migration and the law examines transatlantic artistic and cultural representation and explores the economic philosophic and political implications of the transatlantic area

Literature and Culture: Oxford Bibliographies Online Research Guide Oxford University Press, 2010-06-01 This ebook is a selective

guide designed to help scholars and students of the ancient world find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated This ebook is just one of many articles from Oxford Bibliographies Online Atlantic History a continuously updated and growing online resource designed to provide authoritative guidance through the scholarship and other materials relevant to the study of Atlantic History the study of the transnational interconnections between Europe North America South America and Africa particularly in the early modern and colonial period Oxford Bibliographies Online covers most subject disciplines within the social science and humanities for more information visit www.oxfordbibliographies.com

Transatlantic Literary Studies Susan Manning, Andrew Taylor, 2007 The first volume of critical texts to define the field of Transatlantic Literary Studies This Reader provides 42 exemplary readings that map the theoretical and literary aspects of this growing cross disciplinary subject area In a substantial Introduction to the volume leading experts Susan Manning and Andrew Taylor suggest ways in which the transatlantic model can be most effectively used within literary studies The readings that follow are organised around key ideas the nation and cosmopolitanism theories and practice of comparative literature postcolonialism imperialism translation style and genre and travel and provide accessible annotated examples that demonstrate the different possibilities of comparative analysis The book represents and promotes an understanding of British European and American literary culture within a broader framework of transatlantic activity Key Features Defines the field of Transatlantic Literary Studies as taught in English and American Studies departments Includes important readings from key critics including J Hillis Miller Paul Giles Edward Said and Paul Gilroy Provides a full Introduction and section headnotes that contextualise the field Presents material that explores transatlantic encounters from the early modern period to the present day

Teaching Transatlanticism Linda K Hughes, 2015-02-05 The 18 chapters in this book outline conceptual approaches to the field and provide practical resources for teaching ranging from ideas for individual class sessions to full syllabi and curricular frameworks

Teaching Transatlanticism Linda K Hughes, 2015-02-05 The 18 chapters in this book outline conceptual approaches to the field and provide practical resources for teaching ranging from ideas for individual class sessions to full syllabi and curricular frameworks

Ireland, Migration and Return Migration Sinéad Moynihan, 2019-03-08 Drawing on literary historical and cultural studies perspectives this book examines the phenomenon of the Returned Yank in the cultural imagination Taking as its point of departure *The Quiet Man* 1952 it provides a cultural history that charts the ways in which the Returned Yank indexes a set of recurring anxieties in Ireland from 1952 to the present

Defining and Defying Borders Vanessa Marie Fernández, 2024-01-31 Tracing heated exchanges between Spanish and Latin American intellectuals that took place in journals magazines and newspapers

in the early twentieth century *Defining and Defying Borders* details how borders and boundaries were contested within a medium that simultaneously crossed borders and defined boundaries Vanessa Marie Fernandez demonstrates that print media is an invaluable resource for scholars because it offers a nuanced perspective of the complex postcolonial relationship between Spain and Latin America that shaped aesthetic production within and beyond national boundaries Presenting inclusive paradigms that are at once able to transcend borders acknowledge national boundaries and account for empire *Defining and Defying Borders* illustrates that investigating journals magazines and newspapers is crucial to better understanding postcolonial literary and cultural production [Handbook of Transatlantic North American Studies](#) Julia Straub,2016-05-10 Transatlantic literary studies have provided important new perspectives on North American British and Irish literature They have led to a revision of literary history and the idea of a national literature They have changed the perception of the Anglo American literary market and its many processes of transatlantic production distribution reception and criticism Rather than dwelling on comparisons or engaging with the notion of influence transatlantic literary studies seek to understand North American British and Irish literature as linked with each other by virtue of multi layered historical and cultural ties and pay special attention to the many refractions and mutual interferences that have characterized these traditions since colonial times This handbook brings together articles that summarize some of the crucial transatlantic concepts debates and topics The contributions contained in this volume examine periods in literary and cultural history literary movements individual authors as well as genres from a transatlantic perspective combining theoretical insight with textual analysis [The Encyclopedia of British Literature, 3 Volume Set](#) Gary Day,Jack Lynch,2015-03-09 Provides a comprehensive overview of all aspects of the poetry drama fiction and literary and cultural criticism produced from the Restoration of the English monarchy to the onset of the French Revolution Comprises over 340 entries arranged in A Z format across three fully indexed and cross referenced volumes Written by an international team of leading and emerging scholars Features an impressive scope and range of subjects from courtship and circulating libraries to the works of Samuel Johnson and Sarah Scott Includes coverage of both canonical and lesser known authors as well as entries addressing gender sexuality and other topics that have previously been underrepresented in traditional scholarship Represents the most comprehensive resource available on this period and an indispensable guide to the rich diversity of British writing that ushered in the modern literary era 3 Volumes [www.literatureencyclopedia.com](#) **Europe-US Relations Handbook** Aarav Chandrasekaran,2025-02-20 Europe US Relations Handbook offers an authoritative and comprehensive guide that delves into the intricate dynamics between Europe and the United States Edited by prominent scholars this book examines the political economic cultural and strategic dimensions defining the transatlantic partnership We provide a rich historical context tracing the evolution of Europe US relations from the aftermath of World War II to the present day Key milestones such as NATO s establishment the Marshall Plan and the European Union are explored highlighting the interconnectedness between Europe

and the United States With contributions from leading experts the handbook covers topics including diplomatic engagements trade agreements security alliances cultural exchanges and strategic partnerships Readers gain insights into the complexities of transatlantic cooperation and the challenges faced in an interconnected world Our multidisciplinary approach offers diverse perspectives on Europe US relations delving into defense cooperation economic integration human rights advocacy and environmental diplomacy We address contemporary challenges like cybersecurity threats climate change populism and shifts in global power dynamics highlighting how both regions adapt to these challenges Europe US Relations Handbook is an invaluable resource for policymakers scholars students and anyone interested in understanding the complex relationship between Europe and the United States With comprehensive coverage and analytical depth this handbook is essential for navigating transatlantic diplomacy and cooperation

Radical Justice Luis Martín-Cabrera, 2011-08-16 Radical Justice investigates the convoluted relationship between memory and justice as it is portrayed in political documentaries and detective fiction from Spain and the Southern Cone It argues that the possibility of achieving justice in these regions lies beyond market and state and is yet to come Rather than focusing on high literature Radical Justice uses popular culture as a site from which to question both the inability of the State and the transnational market to come to terms with the dictatorial past and to deliver justice This book will interest a wide range of scholars from national literature and film specialists of Argentina Chile and Spain to philosophers and students of ethics human rights and questions of justice

Transatlantic Literature and Transitivity, 1780-1850 Annika Bautz, Kathryn Gray, 2017-04-28 Cover Half Title Title Page Copyright Page Contents Introduction PART I Travelling Subjects and Transitive Identities 1 Reformation in Mansfield Park The Slave Trade and the Stillpoint of Knowledge 2 That Dreadful Delightful City Edgar Allan Poe s Essaying of London 3 Humble Auxiliaries to Nature Go Betweens and Natural Knowledge in Crèvecoeur s Journey into Northern Pennsylvania and the State of New York 4 Writing Pocahontas Romantic Women Writers and the Transatlantic Rescuing Indian Maiden PART II Ancient Decline and Nineteenth Century Moralities 5 Women of Colour Politics and the Plague in Lydia Maria Child s Philothea A Grecian Romance 6 Christian Morality and Roman Depravity Illustrating Edward Bulwer Lytton s The Last Days of Pompeii in a Transatlantic Literary Market PART III Transatlantic Print Culture and Transitive Texts 7 Virtual Museums in Early America Transatlantic Magazine Culture and Cultural Memory 8 Cultural Transfer in the German Atlantic Brown Oertel and the First Translation of a U S Novel 9 William Blake s American Afterlives Transatlantic Poetics in Emerson and Whitman 10 American Notes and English Guidebooks Re writing English Literature in Melville and Dickens List of Contributors Index

Transatlantic Studies in British and North American Culture, 2015 **European and Transatlantic Studies**, 19?? **The United States and NATO since 9/11** Ellen Hallams, 2009-12-04 The US decision not to work through NATO after 9 11 left many European members of the alliance feeling deflated This decision reflected not only the unilateralism of the Bush Administration but also the belief that US operational freedom and flexibility had been hampered during NATO s

two Balkans interventions This book examines US attitudes to and perspectives on the transatlantic alliance with a particular focus on US NATO relations since 9 11 It demonstrates that following the decision to bypass NATO after 9 11 the Bush Administration s perceptions of the alliance shifted due to a belated recognition that NATO did indeed have much to offer the US Hallams explores NATO s contributions to post combat reconstruction and stabilisation operations in Afghanistan and Iraq and argues that the events of 9 11 galvanised NATO into undertaking an accelerated program of transformation that has done much to reinvigorate the alliance This book offers an optimistic assessment of the transatlantic alliance counter balanced by realistic reflections on the problems it faces Drawing on interviews with US and NATO officials it argues that NATO is far from irrelevant and that prospects for the alliance remain fundamentally positive it will be of interest to students and scholars of US Foreign Policy American politics international relations security studies and transatlantic studies

Ignite the flame of optimism with is motivational masterpiece, Fuel Your Spirit with **Transatlantic Studies** . In a downloadable PDF format (Download in PDF: *), this ebook is a beacon of encouragement. Download now and let the words propel you towards a brighter, more motivated tomorrow.
