Understanding the Scriptures Scott Hahn, Jeffrey Cole, James Socías, 2011 **Understanding the Bible** John A. Buehrens, 2010-10-13 A thoughtful warm and witty introduction Understanding the Bible is designed to help empower skeptics seekers nonbelievers and those of a liberal and progressive outlook to reclaim the Bible from literalists In making accessible some of the best contemporary historical literary political and feminist readings of the Hebrew and Christian scriptures it encourages all who would find in the biblical heritage an ally and not an enemy in the quest for a more just and humane world Brief and to the point it can easily be used to stimulate group discussions and personal reading of the biblical texts themselves and is an excellent introduction to the Judeo Christian tradition for those of other faiths Understanding the Bible includes four preliminary chapters on the why who which and how of biblical understanding followed by eight brief thematic chapters covering the core of the Hebrew Bible and six covering the Christian scriptures plus chronologies maps and helpful suggestions for further reading Understanding the Scriptures - Teacher's Manual Midwest Theological Forum, 2005-01-01 **Understanding Scripture** David Alan Greene, 2017-09-14 The Bible is an incredible book Not only is the Bible the written Word of God but also its depth of meaning and beauty were masterfully supervised by the hand of God There is a Hebrew poetry form called a chiasmus which is beautifully balanced where the first and last verse match in subject working their way inward to the central and most important point The New Testament has this balanced approach to its structure Dr Greene examines the purpose of their arrangement and their relationship to each other using the chiasmus as a tool The results are amazing This approach honors Scripture by allowing it to speak to those to whom it was written The goal of this book is to present an alternative method of examining the Bible understanding that all the Bible has been written for you but only a part of the Bible was written to you **Understanding Scripture** John F. Balchin, 1981 **Understanding Scripture** Clemens Thoma, 1987 Scholarly essays that explore a wide range of issues of biblical interpretation in the two communities **Understanding the Scriptures** Scott Hahn, James Socías, 2005 Understanding Scripture Wayne Grudem, C. Understanding Scripture Robert P. Vande Kappelle, 2020-12-16 The Bible is the single most important book in the history of Western civilization it is also the most widely misunderstood To understand the Bible we must consider its historical and literary context Utilizing the contributions of three disciplines biblical introduction biblical theology and biblical interpretation Understanding Scripture sets the record straight Intended as a handbook or study guide this work provides forty practical guidelines to make your reading of the Bible more useful and your understanding clearer The goal of this book is not simply to persuade you to read the Bible more frequently but to encourage you to read it with discernment The forty concepts alluded to in the book's subtitle are not factual in nature meaning they are little concerned with biblical information Rather they comprise interpretive tools insider techniques used by biblical scholars but widely unknown or ignored by average readers or believers Parabolic in nature the forty statements are designed to promote conversation rather than close or clinch an argument This book is designed to keep you awake at night romancing Scripture rather than mastering it nourishing your spirituality rather than gorging or starving it Understanding Scripture is useful for individual or group study Each chapter concludes with questions suitable for discussion or reflection

Understanding the Bible as a Whole Sam Rainer, 2022-08-02 Everything you need to grasp God's big picture in Scripture so you can dive deeper into each book of the Bible Every single word in the Bible is powerful and purposeful But too often we can be guilty of thinking that the details of God's plan for us must be buried in obscurity somewhere in the vastness of the Bible as if we're missing God because we missed that tiny iota subscript in the original Greek What if it is the opposite What if our daily purpose our next step tomorrow our discernment in the moment comes from a broad understanding of God's revelation in the Bible When you grasp God's Word holistically your life begins to make more sense each and every day In this book Sam Rainer will help you Understand God's big picture as revealed in the Bible Explore the major themes of Scripture Know quickly and easily the subject and purpose of each book of the Bible See the entire masterpiece instead of focusing on the brushstrokes Understand the broad themes that occur from Genesis to Revelation to find God's purpose and plan for your life
